PRESIDENT-ELECT PLANS VACATION OUTING

WILL WRITES AD TO SELL OR TRADE DEMOCRATS' PARTY

(Special To The News)

NEW YORK, Nov. 8.—FOR SALE—Would like to sell, trade, dispose of, or give away to right parties, franchise of what is humorously known as Democratic party.

Said franchise calls for license to enter in national elections. Said right or franchise is supposed to be used every four years, but if intelligent parties had it, they would let various elections go by default when understood they had no chance.

If in right hands and only used in times when it had an "issue" or when Republican party had split, think it could be made to pay.

But present owners have absolutely no business with it. Under present management they have killed off more good men than grade crossings have Address Raskob, back at Chevrolet workshop.

Yours,
WILL ROGERS.

PA NEWC OBSERVES

The election is over and every one has settled back in their favorite arm chair as though nothing had ever happened. As they say in the region of the Alps, "What's landslide more or less anyhow?"

The Better Sire Special train will probably pull into the siding on the P. and L. E. tracks on West Washington street near the depot some time tonight. If the natives of the districts are awakened by sweet bovine mooings and booings in early morn they need have no fear. It will be a lonely sire sobbing for his mate back in the country or perhaps he will be wanting a nice juicy wisp of spring grass. Anyhow, don't get alarmed.

Since workmen started operations on the old United Presbyterian church which was destroyed by fire, North Jefferson street hardly seems the same. The old edifice was a part of the street for many years and its passing is the destroying of a sort of Jefferson street land mark. Apparently the old tower was in no danger of falling even though its bricks and stones experienced the fierce heat of the fire. It was as sturdy practically as the day it was built, stated the contractor in charge of the work.

News may travel fast in the United States and the world at large in this era of modern swiftness but that is not an indication that every one receives it. Some persons as late as 5 o'clock yesterday knew not the selection of the populace for the presidency.

Today The News force has finally caught up on its repose. With a couple of days and a night of sleeplessness and much excitement and tensity the force was in a state of dishabille. This morning things were in a more normal state and even the most virile and youthful of The News hustlers abandoned the hilarity of night life for a slumber.

The car starting weather man says that it was much colder this morning. Pa Newc saw a couple of commuters who were experiencing difficulties in getting their engines to cough. It's shure a soign of coald weather.

Pa Newc sort of has a sneaking idea that there will be no more political parties making a demand for a referendum on prohibition after the annihilation of last Tuesday. The people have spoken.

A mother who has much, yes multitudinous trouble in getting her youthful son out of bed in the morning in order that he will get to work on time asked Pa Newc to publish a receipe for getting people awake and out of bed. Pa Newc suggests a two gallon bucket of water and a pumpkin pie be thrown on the individual before awakening. It never fails.

Wednesday evening the tower of the old U. P. church was brought to the ground but not without a struggle on the part of the workmen. The

Herbert Hoover Plans To Take Complete Rest

President-Elect Very Tired And Weary From Long Months Of Campaigning

FISHING TRIP IS PRINCIPAL ISSUE

Formation Of Cabinet Not To Come For Some Time; Will Spend Seven Weeks In South

By LAWRENCE SULLIVAN
International News Service Staff Correspondent

PALO ALTO, Calif., Nov. 8.—Planning a fishing expedition in southern California was said to be the principal engagement of President-Elect Herbert Hoover today. According to tentative plans the incoming chief executive of the United States will remain a month in California, return to Washington, D. C., and then spend seven weeks in the sunny South before his inauguration.

Congratulatory messages poured into the Hoover home today, many of them inspired by the President-elect's first message to the nation since his election. That message was as follows:

"I can make no adequate expression of gratitude for the overwhelming confidence of our people, who, without regard to section or interest, have selected me for President of the whole United States. There has been a vindication of great issues and a determination of the true road of progress. The Republican party has again been assessed with a great responsibility. In this hour there can be for me no feeling of victory or exultation. Rather it imposes a sense of solemn responsibility of the future and of complete dependence upon divine guidance for the task which the greatest office of the world imposes. That task is to give the best within me to interpret the common sense and the ideal of the American people. I can only succeed in my part by the co-operation and unity of spirit of all leaders of opinion and of action for the common service of our country."

Quiet Inauguration

Mr. Hoover's plans are for a very quiet inaugural ceremony, he let it be known. He expressed the hope

Governor Smith Loses State By Million Votes

Pennsylvania Gives Hoover Two Million Votes In Election Tuesday

SMITH'S TOTAL VOTE IS ONE MILLION

Hoover Receives As Many As All Candidates Polled Four Years Ago

(International News Service)

PITTSBURGH, Nov. 8.—The spectacle of more than a million Democratic votes in the Pennsylvania column in the presidential election today was some indication of the unparalleled interest which swept the state during the campaign, for Herbert Hoover polled practically the same plurality as Calvin Coolidge did in 1924.

Hoover Polls 2,000,000.

Reducing the results to round numbers, Hoover polled two million votes in Pennsylvania while Gov. Al Smith received one million.

That being the case, Hoover alone received practically as many votes as Coolidge, John W. Davis (D) and Robert LaFollette (Soc.-Lab.) combined received four years ago.

Smith received almost as many votes as Coolidge, and more than twice as many as Davis.

Some Comparisons.

Hoover received 300,000 more votes than the entire field of seven candi

MOLTEN LAVA SWEEPING DOWN FROM MT. ETNA; 10,000 PERSONS FLEEING

RIPOSTO, Sicily, Nov. 8.—A boiling river of molten lava, 200 feet wide, which is sweeping in a destructive flood from the crater of Mt. Etna to the Ionian sea coast, had driven more than 10,000 persons from their homes today and caused damage estimated at millions of dollars.

A stretch of rich grape growing country miles long has been devastated.

Today the fiery stream entered the plains surrounding the important city of Catania.

Traffic on the Messina railway has been interrupted. Workmen removed the rails and ties to save them from destruction.

The molten flood has reached the outskirts of Giarre.

More than 100 mouths have developed in the old crater and along the sides of the smoking mountain. Accompanied by heavy rumblings in the bowels of the earth vast columns of smoke, steam and molten rock belch skyward. By day the skies are obscured by smoke, dust and the cinders. At night the countryside is lightened up for miles by the lurid glare.

Soldiers are aiding relief work. The government is providing the refugees with food and shelter. Ministers of Public Works Giuriata is remaining on the scene under orders direct from Premier Mussolini.

It is impossible to venture near the volcano on the eastern side. The whole region between Mascali and the mountainside has been devastated. The inhabitants of Mascali were celebrating the feast of their Patron Saint, St. Leonard, at an open air altar when the lava burst from the banks of a nearby dry stream bed down which it had been flowing. Houses began to crash and the air became fiery with heat. The religious celebrants fled.

The northern part of Nunziata was destroyed. Carrabba has been completely evacuated. A stream is flowing in the direction of this city, which is already under water.

Farm Relief Is Big Problem For Congress

Outstanding Legislature Problem For New Congress Is Already Seen

BORAH DECLARES FOR SPECIAL CALL

Does Not Believe Regular Session Of Congress Will Take Action

(International News Service)

WASHINGTON, Nov. 8.—The election of Herbert Hoover and an overwhelmingly Republican Congress has made farm relief the outstanding legislative issue of the nation as long as the problem remains, it was declared by farm leaders today.

The farm ogre will raise its head on the first day of the short session in December and may result in a special session after March 4.

On nearly every other issue Hoover has unqualifiedly endorsed the Coolidge policies. His new legislative proposals are expected to be few.

While regarded as sympathetic to the administration's farm stand, Hoover nevertheless professed to offer a complete plan to the voters and expressed willingness to make the problem his own by calling a special session.

Borah Declares For Special Session

Sen. Borah (R) of Idaho, taking Hoover at his word, has already declared for the special session, asserting that nothing can be done in the three-months short session.

On the other hand Sen. McNary (R) of Oregon, co-author of the now orphaned McNary-Haugen farm bill, is confident that Hoover's plan can

GARY, Ind., Nov. 8.—Joseph Kusner, 21, a cripple, was shot and killed in the street by police here today following what was described as an attempt to rob the safe of the Calumet press.

Following a series of safe-blowing in the last few days, police had been ordered to shoot to kill. A police detail was passing the building when it heard sounds within. Detectives surrounded the building and found Kusner at the safe, it was said.

As he fled police fired. Kusner was almost instantly killed

Remove Contents Of Cornerstone From Old Church

First U. P. Church Tower Is Pulled To Ground And Cornerstone Removed

BOX CONTENTS IN GOOD SHAPE

Find Interesting Pamphlets, Pictures And Papers In Cornerstone Box

This morning at 11:30 o'clock, workmen, after working for several hours, pried the huge cornerstone from the ruins of the First United Presbyterian church on North Jefferson street and the tin box containing the contents, placed there in August, 1901, were removed.

The recovering of the cornerstone contents was the result of the labors of a day and a half. Yesterday, the huge tower was pulled to the earth and the entire morning was spent in prying rocks and bricks away in order that access might be made to the cornerstone and the contents; the latter of which were deposited in an unsealed tin box possibly six by eight inches in size.

At 11:30, workmen Edward Houston and Antony Latina with superintendent R. C. Lutton of the J. Clyde Gillfillian company in charge of the work, lifted the box from the cavity in the stone and immediately conveyed it to safe quarters until church officials call for it.

Box in Stone 27 Years

The box, unsealed through the 27 years, was filled with considerable dust and dirt, but the contents, though musty, were all in good condition.

Woman Worked As Waitress In Hotel; Tragedy Discovered By Rooming Companion

(International News Service)

BUTLER, Pa., Nov. 8.—Sheridan G. Maloney, 68, shot and killed his wife, Eleanor, 36, and then committed suicide, police here believed today after an investigation into the deaths of the two, whose bullet-riddled bodies were found in an apartment where the woman had lived after separating from Maloney about two months ago.

Mrs. Maloney had been working as a waitress in the dining room of a local hotel and shared the apartment with Miss Anna Schnitzky, also an employ of the hotel. Miss Schnitzky discovered the bodies upon her return from a show last night.

The couple is survived by a 13-year-old son.

Five bullets, fired into Mrs. Maloney and three into Maloney, passed completely through the bodies and were scattered about the room.

CAMDEN BLAST FATAL TO MAN; THIRTY INJURED

Gas Fumes Are Believed To Have Been Cause Of Blast

(International News Service)

CAMDEN, N. J., Nov. 8.—One man was killed and 30 firemen were overcome and injured today by an explosion in the Rudy Prizenanz Auto Body works here.

Richard Greenwood, 50, Haddon field, N. J., was killed.

The explosion occurred while firemen were fighting a blaze in the shop.

Fumes overpowered more than 10 firemen and 20 others were injured, stunned or overcome.

Gas fumes are believed to have caused the blast.

Cause Of Explosion Is Undetermined; Benzine Stored In Structure

(International News Service)

LYNN, Mass., Nov. 8.—Fifteen persons, four of them children, were killed today when fire following an explosion in a celluloid and leather factory on the Swampscott line, wrecked the factory building and swept through five dwelling houses.

Thirteen persons were injured, most of them children preparing to go to school.

The Dead.

Harry Blaney, his wife, Lillian M., their children: Helen, 7; Thelma, 15; Dorothy, 3 months; Vivian, 8; John E. Nelson and William Clement, both factory workers; and seven others believed to be factory workers.

The burned bodies were in slabs in a local morgue where they were identified.

At the same time in hospitals thirteen persons, including several children, were suffering from burns. The injured list included four other Blaney children—Harry Jr., 14; Norman, 17; Ella, 18; and Lillian Jr., 12. The Blaneys occupied a dwelling house next door to the factory. Their home was a roaring furnace and the majority of the family were killed before they had an opportunity to escape.

Buried In Debris.

The dead factory workers were buried beneath the debris of cement and timbers.

As Chief of Police Edward E. Chase began an investigation to fix the responsibility for the fire a special meeting of the city council was called to revoke the permit, which allowed

Forty Million Votes Are Cast In United States

(International News Service)

NEW YORK, Nov. 8.—The constantly swelling "popular vote" of the two presidential candidates as belated final returns drift in today had sent Herbert Hoovers total vote to approximately 22,000,000 while Governor Smith appears to have drawn about 17,000,000 ballots.

Both figures represents new all time popular records. Smith even in defeat topping the total vote of any other candidate in history.

Even the Harding and Coolide landslides of 1920 and 1924 failed to exceed the vote that is is estimated Smith has rolled up in defeat.

Thirty Five Hundred Articles Of Clothing At Ingathering Here

Annual Needlework Guild Ingathering Takes Place Today

Clothing Will Be Distributed To Various Local Agencies

Approximately 3500 garments are on display in The Castleton hall room today. Thirty five hundred pieces of clothing that will shield unfortunate people from the storm this winter, warm woollen blankets, stockings, underwear, gloves and caps, coats and trousers, and not an article in the entire display but will be useful.

The display is the annual Ingathering of the New Castle Branch of the Needlework Guild of America and the members this year have gone far beyond their generosity of other years. There seemed to be a friendly rivalry between the twenty sections of the local branch, to outdo one another in the matter of generosity, and the display is ample proof of the beneficence of the Guild.

Distributed Friday

The Ingathering is on display for today only and up until ten o'clock this evening. The articles are laid out on tables and for the day the hall

Police Hunting For Missing Pair

Merchant And High School Girl Are Strangely Missing

(International News Service)

PITTSBURGH, Nov. 8.—Authorities today started a search here for Charles Kastos, 42, produce merchant and former heavyweight wrestler, and pretty Mildred Mullen, high school honor graduate and former clerk in Kastos' store, both of whom disappeared from their homes in East Liverpool, O.

The missing persons bureau here which received the request to conduct the search, said the girl's parents and East Liverpool police believe Kastos kidnaped the girl, as she had refused his proposal of marriage to her, and quit the job in his store.

When last seen Kastos placed a barrel beside him on the driver's seat of his auto truck and then left. He had also withdrawn $4,000 savings from an East Liverpool bank, police learned.

Smith Prepares To Retire From Public Office

Future Of Democratic Party Is Big Problem To Many Of Leaders

RASKOB LEADERSHIP BITTERLY ASSAILED

Dry South Will Not Stand For Wet Domination Of Party

By GEORGE R. HOLMES
International News Service Staff Correspondent

NEW YORK, Nov. 8.—Governor Al Smith returns to Albany today to wind up his career in public life.

In his own words, "I never expect to run for public office again."

He is still the "Happy Warrior" that Franklin D. Roosevelt pictured to the Democratic convention at Houston last June. But hereafter he is determined that some one else is going to stand on the firing line and take the gaff.

No More As Candidate

"I've got all I can stand of it," he said. "I've given a quarter of a century, probably the best years of my life, to it. That's enough. I will never lose my interest in public affairs, but so far as running for office again, that's out."

Governor Smith leaves behind him today a stunned group of party leaders who are trying to peer into the future and ascertain what, if anything, it holds for the Democratic party.

They are frankly disconsolate. The one Democrat whom they believed last June they had a chance to elect turned out to be the worst beaten man in the party's history in the electoral college, polling but 87 of the 531 votes, and losing for the first time in history four states of the hitherto impregnable and solid South.

Between now and the time when he party must again go to the polls,

Senator Watson New Leader In Senate, Belief

Hoover's Rival For Republican Nomination To Be Given Senate Leadership

SENATOR CURTIS PLANS TO RESIGN

Watson And Hoover Have Buried Hatchet And Legislation Should Run Smoothly

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent

WASHINGTON, Nov. 8.—By a queer twist of political fortune, the legislative program of President Herbert Hoover will be handled in the new congress by Senator James E. Watson of Indiana, who fought him for the Republican presidential nomination, it was learned today.

The early retirement of Senator Charles Curtis as Republican leader of the senate, due to his election to the vice-presidency, will be followed by the selection of Watson to the leadership. The Indiana senator outranks in seniority all other senators who have been mentioned for the post and his election as leader will be unanimous. He undoubtedly will take office as leader during the coming short session of the old congress, as rumor has it Curtis will resign his post at once and perhaps may even retire from the senate before the first of the year.

The selection of Watson as senate leader will be perfectly satisfactory to President-elect Hoover, it was learned. Although Watson fought Hoover at the Kansas City convention, they have buried the hatchet since then and the Indiana senator took the stump for the standard bearer early in the campaign.

Moses to Preside.

The elevation of Watson will mark the greatest change in personnel of congress either in the short session or after next March 4. Senator George H. Moses of New Hampshire again

When the day is dark and dreary and a fellow's feelin' weary, and the streets are damp and make a fellow blue, there's a place that is appealing, gives a chap a mellow feeling, is the time and place for what you'd like to do. Get a book that's interesting, one that's a sort of mental testing, get a pipe and get some apples two or three, find an open grate fire, then oh poets twang your lyre, there's the finest place upon this earth to be. All the cares of life go scooting, and your pep begins a hooting, and an evening spent there makes a chap feel great, its the way to kill your worry, there, there is no hurry scurry, just a restful place, the father's forty-eight.

State Secretary Of Y. M. Work Speaks To Phalanx Members

Nineteen Fellows Hear Inspiring Address Wednesday Night

Members of the Phalanx fraternity of the local Y. M. C. A. gathered for their customary evening dinner and business meeting on Wednesday night. Nineteen fellows were present for the banquet.

Following the dinner in the cafeteria, the members adjourned to the Phalanx program room where business pertaining to the organization and an enjoyable address by L. A. Pickett, state student secretary of Y. M. C. A. work, featured the meeting. Pickett resides in New Castle.

Mr. Pickett's interesting talk on "Christianity in Everyday Experiences," followed a report of the treasurer, Paul Alford, and a discussion of progress being made by the Phalanx committee on Sciota street educational work. The secretary urged the members to love Christ always and featured his discourse with actual experience of students and others in facing acid tests of their faith in God.

Jack Boyles, president of the fraternity, presided over the business portion of the meeting.

The next assembly of the organization will occur next Wednesday evening when the members convene for dinner at 6:30 o'clock. Meetings will be held each week hereafter instead of bi-weekly.

base was weakened by chiseling out bricks and a strong cable was placed about the top. Then a chain jack and screw jacks finally brought her down. It toppled, swayed, swerved and partially buckled in mid air and a part of it fell toward the alley and came near the dwellings nearby. A crowd of spectators had gathered and the dust of the crash of the tower top some 55 feet below drove them back.

New Castle turned out about 98 per cent of the registered vote at the election on Tuesday despite the handicaps of voting in some of he larger precincts. Pa Newc wonders what would have happened if there had been a driving rainstorm during the day when those long lines were standing in front of the polls. Redistricting of the city should be made without delay.

That traffic stop sign still stands at the corner of Sheridan and Albert streets on Sheridan street. Apparently the traffic officials still think they are right despite the fact that they are the only ones who do. That sign should be on Albert street regardless of the traffic officials beliefs.

HERBERT HOOVER PLANS TO TAKE COMPLETE REST

(Continued From Page One)

that it would be "one of the extremest in simplicity that we ever have had."

"I think it would be more appropriate if we stick to the simple things in life," he said, in his first conference as President-elect with the newspaper correspondents.

"For the next few days I intend to devote myself to complete rest," he continued to the correspondents.

He intimated that the building of his cabinet was a matter that would not be disposed of for some time.

"Any truthful declaration of the cabinet members will be announced by me," he said. "All other statements will be based on theory or conjecture."

For the first time since he returned Monday his home was re-established as a private residence rather than a public institution. The incessant clicking of the telegraph wires which chronicled the story of his election was silenced. All telegraph wires were moved from the Hoover home on San Juan Hill last night after final returns on the congressional and gubernatorial contests had been reported.

Is Well Guarded

Batteries of moving picture cameras which have been focused on Hoover in every public move since his nomination at Kansas City five months ago are folded today in the hotel corridors of Palo Alto. The once open door of the Hoover homestead is guarded by United States secret service operatives. President-Elect Hoover is as inaccessible to the public and newspapermen as the occupant of the White House. Hoover was addressed by some in his first conference with newspapermen following his election as "Mr. President".

Leased wires of news association representatives assigned to be with the President-elect until inauguration are operating today from a vacant house only 300 yards away.

Plans Complete Rest

Hoover has no plans for the next few days save to devote himself "to complete rest".

Physically weary from his arduous campaigning which took him twice across the continent and on several shorter trips, Hoover's mood shows for the first time the degree to which the last six months have drawn upon his energy. Released from the stimulus of the battle, he found complete mental and nervous relaxation today for the first time since his pre-convention campaign was formally launched on February 22.

The normal reaction of the let-down after so long a period of intense activity left him in the mood of wishing complete quiet and solitude. This wish has been emphatically stated to his aides and they were carrying it out with efficiency and vigor.

dates in the 1920 presidential race, which was styled a Republican landslide.

But on the other hand, Smith polled more votes than Davis and James M. Cox, Democratic candidates in 1924 and 1920, did combined.

The figures show, too, that Smith received more votes than any Republican candidate before Warren G. Harding ever polled in Pennsylvania, but on the other hand, he was as badly beaten in Pennsylvania as any Democrat who ever ran.

Carries State By Nearly Million.

PITTSBURGH, Nov. 8.—With only a few scattered districts missing, the Pennsylvania presidential vote shows that Herbert Hoover, successful Republican candidate, carried the state by 939,592 votes.

The vote in 8084 of the state's 8353 districts shows:

Hoover, 1,947,517.

Smith, 1,007,925.

SENATOR WATSON NEW LEADER IN SENATE, BELIEF

(Continued From Page One)

will be chosen president pro-tem of the senate while in the house the same Republican officials will be returned to office. Rep. Nicholas Longworth of Ohio again will be elected speaker and Rep. John Q. Tilson of Connecticut again will be chosen Republican floor leader.

The retirement of Rep. Finis J. Garrett of Tennessee after March 4 will bring a new Democratic floor leader to the house. Rep. John Gardner of Texas, one of the most popular men in congress, will be elected to this post.

The new Senate will line up with 56 Republicans, 39 Democrats and one Farmer-Laborite. This will give the Republicans the opportunity to get through a lot of party legislation but the margin is so close that the insurgents retained their "balance of power." There are eight insurgents including the Farmer-Laborite in the new Senate. There are three other Republicans—Couzens, Johnson and Norbeck—who frequently vote with them. When all eleven with the Democrats, Republican control is lost. Nine of them, in fact, can put the Democrats in command.

SMITH PREPARES TO RETIRE FROM PUBLIC OFFICE

(Continued From Page One)

two years hence in the off-year election, much will have to be done if the party is to continue as a major threat to Republican domination at Washington.

Battle For Leadership

Nominally, the leadership of the party still is vested in Governor Smith and the new blood that he brought into the fight with him. The most conspicuous of these is John J. Raskob, the "big business" executive, who was made national chairman by Governor Smith. This new leadership is Northern, largely Catholic, and Representative of the Democratic masses of Northern cities rather than the Protestant Democracy of the South.

The struggle to supplant this leadership, if it is to be changed, has already started. The premonitory rumble of it was heard yesterday from Texas, where Governor Dan Moody laid Smith's defeat to Raskob, whom he characterized as "a cynical commercialist with an alcoholic complex." The national chairman, Governor Moody said, had "no conception of the ideals of the South and West."

Forecasts Struggle

To many observers, this statement from the Governor of Texas, forecasts the line of Democratic struggle immediately ahead—the dry, Protestant Democracy of the South and West against the wet and predominantly Catholic Democracy of the great populous cities of the North and East.

Friends of Governor Smith pointed out with some acerbity that Texas for the first time in her history had bolted the Democratic party and given her twenty electroal votes to a Republican. In contrast, they pointed to the fact that normally Republican Massachusetts and Rhode Island, alone of the Northern and Eastern states, were carried by Smith.

They pointed out that had the South held firm to its traditional and historic Democratic loyalty, Governor Smith would have escaped the ignominy of having been the worst beaten Democrat electorally in history.

What part, if any, Governor Smith will play in the working out of this acrimonious controversy between the Democrats of the big wet cities of the North, and the dry Protestant Democrats of the South, only the future can tell.

Governor Smith told newspapermen that he had "no regrets" about the election. That is only partially true. The defection of his own New York was a bitter disappointment to him it was made more poignant by the fact that the rest of the state ticket, Franklin D. Roosevelt for governor, Col. H. H. Lehman for lieutenant governor, and the others, all of whom he had hand-picked, were elected. Governor Smith himself was the weak candidate on the Democratic ticket so far as New York is concerned. While Gov. Smith was genuinely pleased over the success of his state ticket it was nevertheless a blow to his personal pride that he did not keep in step.

After Smith was defeated for re-election as governor in 1920 he went into the trucking business, becoming an official of the United States Trucking Corporation. This is the only private business the governor ever engaged in, having devoted twenty-five years of his life to public affairs. He made good in the trucking business. His employer, George F. Getz, Chicago business man, was quoted in dispatches today as saying Al was a success with the trucking company and that he has a "job for Al Smith any time Al wants it."

Smith is expected to receive countless offers of positions. The advertising value of his name alone is worth considerable to almost any venture. It is understood that a position such as chairman of a big Wall Street bank would appeal to him. He also has indicated a desire to do some writing after he gets through as governor on January 1, 1929.

"I might make a good writer," he remarked one day. "I have a lot of things in my head that I'd like to put on paper."

The governor will leave for Albany this afternoon to finish up pending state business. Before he "digs in" he will take a short rest to recuperate from the physical and mental drain taken by his vigorous campaign.

What connection, if any, Raskob will have with the new bank that is reported to want Smith as its head, may be determined somewhat by what transpires at a meeting of the directors of the General Motors Corporation this afternoon.

If a reporter seems to have a lot of cheek it's because he has his tongue in it.

A change in Russia is predicted, which naturally would have to be for the better.—The Terre Haute Star.

Mrs. Alexander was the daughter of William and Isabel Graham Cummings. She had been a resident of New Castle for a number of years and was one of the best and highly esteemed women of the city. She was a faithful member of the Second United Presbyterian church and as long as her health permitted her was a faithful attendant at all of the services.

Surviving her are one daughter, Mrs. Howard Lewis of Philadelphia, and a son, Earl A. Alexander of Detroit. Her husband preceded her in death some months ago.

Funeral arrangements have not been completed.

FARM RELIEF IS BIG PROBLEM FOR CONGRESS

(Continued From Page One)

be put over this winter under President Coolidge. McNary will offer the plan when Congress meets.

Other Questions

Among the other legislative questions to be raised in the short session are enactment of $247,000,000 naval building program; Boulder Canyon dam; Muscle Shoals; reapportionment of Congress, a new demand for legislation aimed at the "power trust", and extention of the public buildings program.

The Republican landslide may demolish the last hope of congressional insurgents for a change in the Coolidge foreign policies, especially as regards Nicaragua. The progressive bloc is expected to find harder sledding in the next Congress in their attacks on the "power trust".

The attitude of Hoover toward railroad rates has already furnished leaders on Capitol hill with speculation. Although declaring that high freight rates was one cause of the farm depression he offered no solution but extension of inland waterways. Belief is expressed that Hoover will demand action on railroad consolidation legislation.

The wet and dry question is expected to lie dormant until the new Congress meets when Hoover will ask authority for the investigating commission he proposed.

FIFTEEN KILLED IN EXPLOSION OF FACTORY AT LYNN

(Continued From Page One)

the erection of the factory in the residential district.

Fifteen drums of alcohol, seven drums of benzine and a large quantity of celluloid were stored in the two story factory building which was of cement construction.

Two Badly Burned.

Two of the injured were factory workers, who ran from the blazing building and its tumbling front walls with their clothing in flames. They were badly burned and removed to Lynn hospital. The others injured lived in two houses beside the factory and in three houses across the street. All five of these dwellings were ruined by fire.

The cause of the explosion was undetermined a short time after the flames had been placed under control but fire and police officials stated that they thought a match, lighted, had been carelessly dropped in the celluloid stored in the factory.

Ready To Start Work.

The scene of the explosion and fire, was the Preble Box Toe Company in which were manufactured toe pieces for shoes made of celluloid and leather.

The factory workers who were killed and the others who were burned were putting on their overalls preparatory to beginning their day's work when a blast shook the building. This was followed by a second explosion which blew out the entire front of the factory building. The building was of fireproof construction, its walls being a foot thick and made of cement. Fire broke out and spread rapidly.

Democrats Lose Last Stronghold In Pennsylvania

(International News Service)

WAYNESBURG, Pa., Nov. 8.—For the first time in the history of Greene county, long a Democratic stronghold in rock-ribbed Republican Pennsylvania, a Republican presidential candidate carried the county in Tuesday's election when Herbert Hoover received a plurality of 1,619 over Gov. Alfred E. Smith.

Greene county voted against every one of the 14 proposed amendments to the constitution.

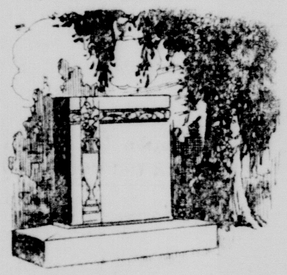

Official Count Of Vote Now Under Way

Return Judges Ralph A. Cooper, Wilbur J. Baer, M. Dell Davidson and Mary A. Long began at noon today to make the official count of the vote cast at Tuesday's election. When the count is completed which is likely to take several days it will be known how Lawrence county voted on the constitutional amendments.

Olga Mundy Sings To Henry Home Children

Noted Radio Artist Gives Program Of Songs; Kiddies Also Sing

Olga Munday vocal star of radio station WCAE, entertained the children at the Margaret Henry Home Wednesday afternoon according to Herbert Pearrs of the Cathedral.

Miss Mundy was taken to the home by Mr. Pearrs and James K. Love. After she had sung many songs to the children, two little tots sang to her "We are Daddy's Girls Now."

"Do you know that affected me more than has anything else in a long time" Mr. Pearrs stated after the program.

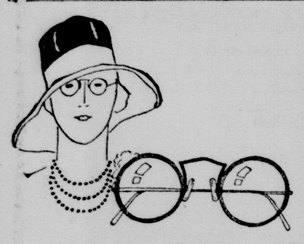

"When I think of those little orphans, who still think of their mothers and fathers I realize more and more what the people of New Castle owe to them. They cannot help their plight. And their every dependence is another striking argument for the Community Chest."

The thing that chiefly enrages the country is the city's ability to sin without feeling nasty afterward.

SHOULD REDISTRICT SOME ELECTION PRECINTS AT ONCE.

NEW CASTLE has just completed the most notable election in its history. A record vote was cast. It was well handled considering the conditions under which it was made necessary. The election boards are deserving of the utmost credit.

But, as was suggested prior to the election, when it was discovered that there were some immense districts in the city, the program for redistricting the city should be undertaken at once, so that it can be done and be made effective for the next election.

In one precinct of the city, that of the fourth of the second ward, there were actually 1162 votes cast. This was a remarkable achievement. But, when one looks back over the situation, it is wondered what proportion of this vote would have been cast if the weather conditions had not been perfect. For five to six hours there was a lineup of sixty to seventy to a hundred lined up waiting to get into the voting places. Many would have been unable to stand in this line for half an hour if weather conditions had been anything but the most ideal, for instance if there had been a severe rain storm during the day?

There is no use of prolonging argument. The situation is plain. It is the duty of those responsible, to act at once on the city redistricting so that changes may be made wherever necessary before the next election.

Start the program at once.

WORK AS AN AID TO LONGEVITY

CHIEF MAGISTRATE McADOO of New York City, who has just celebrated his seventy-fifth birthday, declares that congenial work is one of the very best ways of prolonging life. There is nothing new or startling about this declaration, but it has added value when it comes from a man who practices what he preaches.

"I have led an extraordinarily active life," says this veteran of the bench, "and I believe the greatest aid to longevity is work; work which you like, and in which you lose yourself because of the deep interest you have in it." This is a recipe which can be heartily commended to all. Happy, indeed, is any man or woman engaged in a congenial occupation.

THE STOWAWAY AS HERO

STOWAWAYS on ocean steamships are treated none too kindly when they are discovered, nor do they land in the role of heroes. This happy fate was reserved for young Clarence Terhune, who secreted himself on the Graf Zeppelin when she left for Germany and could not very well be put overboard after she had started. Neither the commander nor the passengers seem to have minded very much, perhaps because of the novelty of the adventure. Nor was Clarence guilty of much more than a boyish trick. But it must have surprised the American consul at Stuttgart, who came to Friedrichshafen to get him, to see him welcomed by all the girls of the place as a hero.

The attempt to smuggle him away failed; the youthful Fraulein would not be balked of their prey. They flocked about him ardently; he could have been kissed as many times as Hobson was after his exploit at Santiago had he not evaded their attentions. "I was almost tempted to kiss one," he confesses. Is he less or more a hero for resisting the temptation? But he admits that he does not regret the publicity, though he did not expect it and has no intention to capitalizing it in the films or elsewhere. "There was no thought of money or glory in my mind," he says, "when I hid under that pile of old bags." He simply wanted to see a strange country, as other stowaways have done.

Perhaps Clarence was fortunate in being a pioneer. Had he hidden himself on a ship it would have been an old story. To be an unbidden passenger on the famous dirigible was quite another matter. It will hardly be safe for other adventurous youth to follow his example. They would probably find less lenient treatment and be no object of adoration to impressionable girls.

It is especially difficult to control a temper that faces an unarmed man forty pounds lighter.

Once the capitalistic system is gone the world will be quieter. There won't be any dinner bells.

Doctors who advise folks how to live long probably include in the instructions "stay off the highways."

No man really enjoys work. When he gets up in the world, he gets up two hours later.

The News,
To The Editor:—

I have been reading "Picking Presidents" by Charles L. Mulligan in The News of October 18. He gave Oliver P. Morton as vice-president with Rutherford B. Hayes, which is a mistake, for Wheeler was the vice-president. It was Hayes and Wheeler instead of Hayes and Morton. Morton was vice-president with Harrison in 1888.

At Least, Big Voting.
Home Goes Coolidge.
Another Pasteur Wanted.
Mussolini on Movies.

By ARTHUR G. BRISBANE (Copyright, 1928, by N. Y. American, Inc.)

The news columns will supply you with facts and guesses on the election.

The main thing is that people really took the trouble to vote, something that comparatively few have done usually.

It would have been more encouraging had interest in public questions aroused the unusual interest, rather than questions aside from American government.

But voting for any reason is welcome.

Old Vermont farmers that knew "Cal Coolidge" as a little boy, helping his father with the farm chores, would have been amazed to see that same "Cal" yesterday getting out of a seven-car special train, taking him from the White House to the polls at Northampton, Mass.

The President cast his first vote in Northampton, was elected councilman there, long ago, and has been steadily in office ever since, nominated nineteen or twenty times—never beaten. A record in politics as good as Cromwell's in war. Cromwell never lost a battle.

The old farmers would observe with pleasure that being President, with $75,000 a year salary, a White House and a big yacht have not spoiled Calvin Coolidge. Next March he will move from the White House to Northampton and resume life in a small house which he rents for $32.50 a month.

Such a man is not dependent on money. But the President could save plenty of it. More than one law firm would be glad to guarantee him three times his presidential salary. And he would not have to work hard. Perhaps the president chooses to wait a while, look around, and, possibly, take a second elective term in the White House, eight years hence.

The erection of a fine statue to the great Frenchman, Pasteur, honors Chicago. Excepting the Lincoln statue, none in Chicago is erected to so noble and useful a man.

DR. LEOPOLD STIEGLITZ, of New York, able scientist and brilliant diagnostician, brother of Prof. Julius Stieglitz, who teaches chemistry at Chicago University, says "We need a Pasteur to solve the cancer problem. That task calls for a man free of preconceived notions and prejudice; not a man of medical training, seeking to explain cancer according to old methods."

The ignorant sometimes ask: "Of what real use is science?"

Bismarck taking five billion francs from France, after the War of 1870, thought he had reached the limit. Dr. Stieglitz reminds you that the cash value to France of Pasteur's discoveries far exceeds five billion francs, to say nothing of his work against human disease and suffering.

What Dr. Stieglitz says of Pasteur and the cancer problem encourages men of no special training. Clear thought and accurate observation work wonders. The inventor of the sewing machine did not know how to sew. Had he known, it would not have occurred to him to put the eye of the sewing machine needle in the point of the needle, rather than in the old place, farthest from the point.

That one idea made the sewing machine possible.

MUSSOLINI, wiser than superficial critics in America, has only praises for moving pictures. Quite accurately, he classes them among the greatest agencies for the education of mankind. The other two are moveable type and photography.

Mussolini spoke at the dedication of the National Institute of Educative Cinematography in the Villa Falconieri, at Frascate. In the present stage of human development, with the Stone Age only 12,000 years behind us, moving pictures are by far the greatest force in education. In one hour they can teach the young, through the eyes, more than printed books or oral lessons could teach in a month.

Mr. Durant, automobile man and Wall Street shaker, is said unofficially, to have bet $1,000,000 on Hoover against $200,000 bet on Smith. Five to one were the longest odds on Hoover. Four years ago they were 10 to 1 on Coolidge. Remember, however, that the betting was 8 to 1 on Hughes, against Wilson.

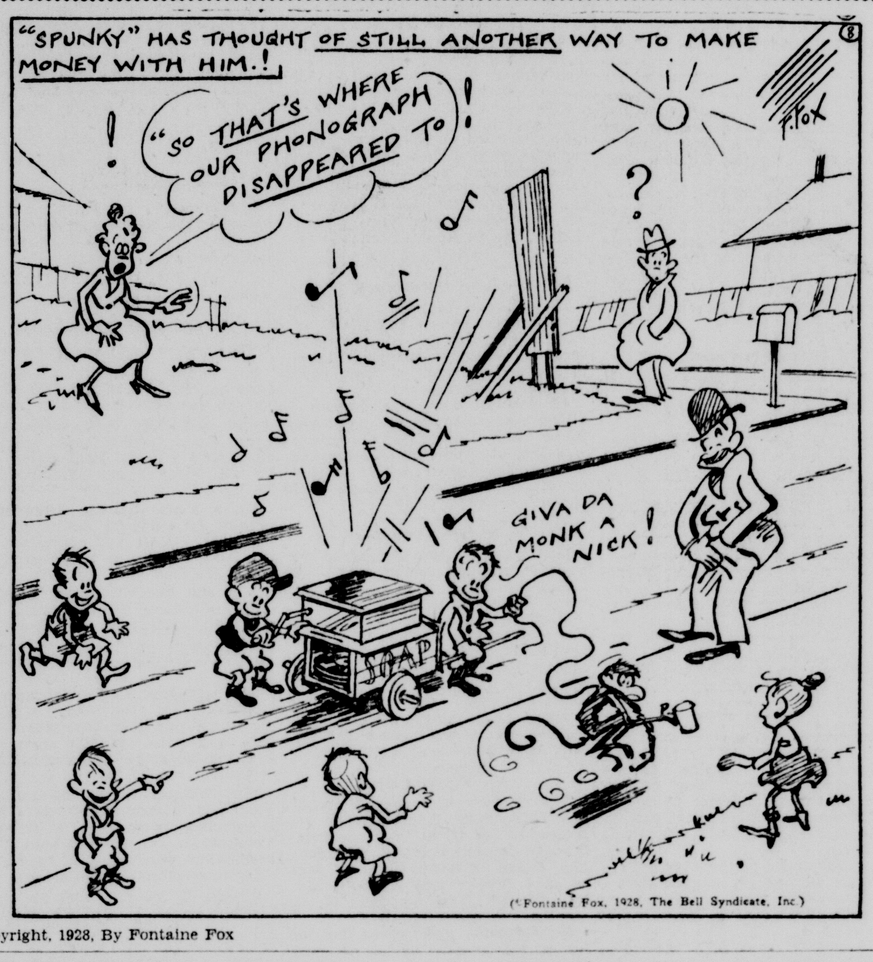

Arnold Rothstein, "big New York gambler," died withholding to the last the name of his murderer. That is the code of gamblers, gunmen, bootleggers and the underworld generally, a code that must encourage killings, among those that observe it, but useful for the law-abiding.

Rothstein, who had announced his intention "to quit the racket," did so after refusing to pay gambling losses of $340,000. "Welcher," the winning gamblers called him, and killed him as a warning to others. Rothstein said the game that fleeced him was dishonest.

Hints and Dints

Sun sets tonight 4:49. Sun rises tomorrow 6:40.

As a hat the brown derby is not in style now—never was much.

Even the south is going against the Democratic party. Lawrence county should follow suit after this.

It's the sidewalks of New York for Mr. Smith instead of Pennsylvania avenue, Washington, D. C.

About two years ago we attended a meeting of Republicans in Miami, Fla., and it was stated then that Florida would go Republican at the next presidential election. It has about made good.

Everybody has faith in something. The man who is suspicious of a restaurant plate will wipe it off with a restaurant napkin.

And President Hoover is to have a senate that will be with him instead of a heckling minority of alleged Republicans and Democrats. We will get somewhere in the next four years.

Teh alleged Republicans should join the Democratic party—or some other party.

LaFollette and his bunch of bushwhacking politicians in Wisconsin got it where the chicken got the ax. The American people are getting awake at last. Party organization and party responsibility will get good government to any community and the nation. Individuals never were and never can be responsible.

The presidential election and its results sure were a great satisfaction to the Hints and Dints man. We were the original Hoover man in this county and never thought for an instant that he would not be elected and we are still going further—he is going to make the best president this nation ever had because he knows more about the job than any other man ever did.

Billy Sunday is holding a revival in East Liverpool, O. This is his second visit to that place. In a recent outburst he said: "The churches are full of sour-faced religious crabapples that are trying to hand God a lemon. The trouble with people is that they spend too much time getting their hogs and cattle ready for market and too little time getting their boys and girls ready for heaven. Bill can get away with a lot of rough stuff that an ordinary sinner would be put in jail for springing.

We never realized fully the expression "many good men are defeated" until we got defeated ourselves.

All the wives of the presidential candidates were right at their sides all the time during the campaign. Most of them would enjoy the White House more than their husbands would We do not blame the ladies for appearing interested from all points of view.

One of the things we forgot to say about the election yesterday was "Whoopee."

When some one calls us on the telephone, the first thing we ask is who is it. Often they refuse to say, and keep on yammering. That is when we hang up the receiver. There is only one thing meaner than hanging up the receiver and that is not telling who the speaker is.

The farmers of this country evidently were more willing to trust a man who knows something about farms and farmers quicker than a man who knows only about sidewalks in New York. Any farmer who has ever been on the sidewalks of New York knows it is no place for an honest farmer. It is not even a good place for an honest newspaper man and we are going to look 'em over again next week and see how they look now.

We offered to bet the price of two good automobiles that Hoover would have a landslide, but we found no takers. One bird wanted to bet 50 cents and we offered him the 50 cents so he would not be worried over the result.

Most every day we read in the papers where some pretty young girl has been found cruelly murdered. And some bleared-eyed shiek either confesses to it or is suspected. Old ladies are never found murdered that way. Watch your step girls.

The worst thing that can happen in the lives of some young persons is for their favorite football team to lose a game .Omigosh a few times!

The air ought to be purer from now on until at least another political campaign is put on over the radio.

There is a suspicion that some members of the local Republican county committee voted for Smith. That would not be anything new for some of those babies. Before the next campaign something should be done to let Republicans have a say in things in Lawrence county. Those whose chief aim is not holding office or being in favor of it.

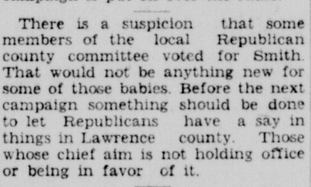

In the last speech made by the Democratic candidate for vice president of the United States he said among other things: "It is a great mistake for ministers to attempt to dominate political affairs.' Surely the Democratic party after the campaign just passed will not attract ministers very strong. Just think of the things the Democratic party has always stood for.

Eggs of uncertain vintage were hurled at Senator Hefflin while he was making a speech razzing Gov. Smith at Anniston, Ala. ,the night before election. That bird will get his when he runs for re-election next time as he will have to be elected by Democratic votes because they do not have any other kind in Alabama.

Useful products to the value of $250 have been taken from the smoke derived from a ton of straw. Wonder what could be derived from the smoke of a ton of cigs. Poison for bugs?

Will some New Castleites ever learn that the center of a sidewalk in the congested district is no place for prolonged visiting parties?

An Illinois man wanted to go on a trip before election day and as the law there allows absent voting he voted before he went and then died before election day. The question naturally arose as to the validity of a dead man's vote being counted. That ought not to cause much annoyance as lots of "dead ones" vote for years.

There are some bimbos so two faced they could ride a bicycle backward.

A FUNERAL HAS BECOME AN EXCUSE TO STRUT.

It is becoming the fashion to have "swell" funerals.

Ten years ago the vain who found in grief and opportunity to shine before their neighbors were content to spend small fortunes for tombstones.

But now they demand more immediate and more spectacular results for their money. They make funerals resemble weddings.

There are costumed pallbearers and flower girls and all the pomp and splendor the bereaved family can devise and afford and in the midst of so much showing off the poor corpse seems almost an intruder.

It is a vulgar and shameful thing to make so much show of grief. It is not true grief at all but silly pride employing grief as an excuse to impress the neighbors.

The next step will be to hire mourners as Orientals do and then you can judge a family's wealth by the volume of the howl these produce.

New York's Attack Upon Graft Is Viewed With Satisfaction

Prison Sentences For Former Queens Borough Officials Called Encouraging Sign Of An Awakened Public Sentiment

Satisfaction at the proof that prison sentences actually can be meted out to large-scale municipal grafters is evident in comment on the recent conviction by a New York jury of Maurice Connelly, former president of Queens Borough, and Frederick Seely, his assistant, accused of fraud in connection with sewer contracts.

"The verdict is a great victory for the state, for the residents of Queens Borough, for the city of New York," asserts the NEW YORK SUN. "The prosecution presented evidence to show that Phillips (now dead) obtained $4,500,000 in two years on 48 contracts for sewer pipe, for which a fair price would have been about $1,488,000. It showed that in the same period Connolly made cash payments aggregating some $145,000 in various private business dealings. It produced a contractor who gave evidence that on one occasion Phillips and Seely had sought $1,000 for Seeley on the awarding of a contract. Out of such atoms the mosaic of certitude was built up; the involved transactions were linked together with skill and sureness by Mr. Buckner the prosecutor. * * * The grafter came to deserved punishment."

"Within a year from the first exposure of the sewer corruption," it is pointed out by the SYRACUSE HERALD, "the highest implicated official is visited with a prison penalty in addition to the disgrace he had previously incurred. The charge was 'conspiracy to defraud'—one of the most difficult crimes to prove, as the country has learned to its disappointment in the case of the oil scandals at Washington. The outcome speaks volumes for the skill and diligence of the chief prosecutor, former Federal District Attorney Buckner. Credit is also due to the masterly direction of the trial by Justice Tompkins, who made short work of most of the technical obstructions interposed by the ingenious counsel for the defense."

"Unfortunately for Messr. Connolly and Seely, the public is becoming more and more irritated with delinquency in the public service," according to the HARTFORD TIMES. "Evidence of such delinquency in this case was palpable, but so much of it involved technical engineering matters and was so far from the knowledge of ordinary men that a positive verdict of guilty was despaired of. * * * The jurors, however, evidently felt that complete mastery of sewer engineering and construction was not required to justify them in convincing these men. It is heartening to see that 12 citizens of Queens Borough have had the sense to resent the squandering of their taxes and the elaborate system devised for the defrauding of the borough. It is also encouraging to observe that they have not been confused and led astray by the efforts of the defense to make the evidence seem inconclusive because it was complicated."

The result is described by the NEW YORK EVENING POST as "one of those significant events which come every so often to hearten faith in eternal justice and in the workings of democracy." The Post continues: "Announcing that he wanted immediate trial and vindication, Connolly raised technicality after technicality, finally resigning as borough president in order to nullify the investigation which had been ordered by Governor Smith in response to charges filed by former Alderman George U. Harvey. But even resignation could not save him."

The thought that "one of the highest, most powerful officials of New York City has been condemned to prison" impresses the DAYTON DAILY NEWS, which says of the proceedings after the state intervened: "One of the most eminent attorneys of New York was put on the trial. The moving spirit in the fraud, Phillips, died before he could be prosecuted. But the trail was followed to the door of the borough president."

The suggestion that Connolly and Seely may face other penalties than the sentences imposed is made by the NEWARK EVENING NEWS, which records: "Urged by taxpayers, Mayor Walker and his corporation counsel are considering suit to recover some or all of the Queens sewer-pipe graft, estimated to have exceeded $10,000,000. Federal income tax investigators are going through the evidence in the case and searching the records of the two men for ten years back, to determine whether they owe the government withheld taxes which would carry penalties of size. All of which tends to discourage the popular notion that the civic crook, like other crooks, is obligingly permitted, having made his clean-up, to 'serve his time' and then enjoy, undisturbed, his ill-got gains."

The CLEVELAND NEWS is not enthusiastic over the measure of punishment. "The sewer scandals," observes the Ohio daily, "are expected to cost the unfortunate borough about $16,728,000 altogether, when it is thru compensating defrauded property owners, paying interest and defraying the expense of investigations and trials. The former president of the borough has been sentenced to imprisonment for one year, but that apparently is the most severe punishment meted out and some higher court may be induced to veto it."

THE BLUE FLAG

A young man by the name of Brooks from Oklahoma suggests the advantage of having some international flag.

Some years ago during the war a man in Paris invented a blue flag, which he proposed as the flag of all nations, a flag which stood for humanity, as above any of humanity's divisions.

I think I wrote about it at that time, when notice of it was sent to me by Mr. Mowrer, the Paris newspaper correspondent.

The time may be ripe again to call attention to this emblem.

Not counting the fanatics and those who just like to be different, there are more people in the world today who look forward to a rational internationalism than there ever were before.

Mr. H. G. Wells holds that the growth of this conviction is his greatest hope for the abolition of war.

With all the advantages and commendable sentiment of nationalism or patriotism, it has the disadvantage of easily becoming inflamed and becoming warlike. A great many people cannot understand a patriotism that is not bellicose.

Internationalism may be all right as a fine-spun theory, but it is nothing to get excited about.

The blue flag, standing for that "humanity which is above all nations," would give those who are desirous of witnessing the solidarity of the race some rallying point.

If our hearts glow at the stars and stripes as standing for our own peculiar people why should it not also glow for a superimposed blue flag which stands for mankind?

With no disloyalty to one's own nation it could be shown above the British Jack, the French Tricolor, or the American national emblem with perfect propriety.

Many think that to be an internationalist somehow means to be lacking in patriotism. But there is no reason why one should not be an enthusiastic patriot and at the same time believe that there is coming a sentiment that will even go beyond that.

A man may be intensely loyal to the Jones family to which he belongs, but he does not have to hate the Robinsons and he may have a sincere admiration for the flag of his country which represents not only Joneses and Robinsons but the Levinskies, Cohens and Murphys.

Most men are prouder of being Christians than they are of being Methodists or Baptists, and most men have something in them that should respond to the blue flag that stands for mankind as well as for the red, white and blue that stands for one branch of mankind.

The World AND THE Mud Puddles

AN AMERICAN SNAKE MAN.

All the snake charmers do not work in India. There is one in Burlington County, New Jersey.

Visitors to Burlington County are likely to hear of the reptilian exploits of one Asa Pitman of the Mt. Misery neighborhood. Pitman, they tell you, captures hundreds of rattlers, pine snakes, and copperheads and ships them to Germany and other foreign markets and is kept busy most the year filling orders.

No one seems to be able to say just how he bags the reptiles or to what purpose the buyers put them. At any rate the demand has become so great and Pitman's art so successful that Burlington and Ocean County snakes appear to be in danger of extinction, and Pitman fears he may have to move elsewhere to secure adequate supply for his trade.

Better Sire Train Will Be In City Friday Morning

Special Program Here Starts At Eight O'clock On Friday Morning

TRAIN WILL CARRY CATTLE AND EXHIBITS

Lecture Program For Dairymen Will Begin Friday At 10 O'clock

Friday morning the ten car train composing the Better Dairy Sires special will be at the P. and L. E. tracks just back of the city mill on Valentine street ready to start the half day sire exhibit here at 8 o'clock. The exhibit and program will continue until noon.

The lecture hour will begin promptly at 10 o'clock and will consit of a short talk by the local chairman, an address by a representative from State College and another talk by a member of one of the dairy associations.

In the absence of F. L. Rentz, general chairman of the joint committee in charge of local arrangements Ira M. Ramsey, president of the New Castle Chamber of Commerce will act as chairman for the speaking program and arrangements.

On the train in addition to the cattle which will be carried, will be two cars of agricultural exhibits. One of these will come from Pennsylvania State College and the other from the state department of agriculture.

There are also two special cars for the carrying of scrubs that are traded in for pure bred sires. Other cars will carry the special lot of pure Holstein, Guernsey and Jersey sires which are for sale or trade at the least possible cost to the dairymen of the community.

The idea of the train which is sponsored by the civic, dairy and farm organizations is to educate dairymen to the fact that the better sire does pay. It is in reality a campaign for better dairies in the district. The sires are sold at the cost price which is much less than they could be purchased for elsewhere.

It is also reported that there will be several pure bred sires loaded on the train here. They will come from some of the better dairy farms which carry thoroughbred and registered sires.

The committes for the train consist of busines men, dairymen and also ther farmers who are advisors to the agriculturel commitee of the New Castle Chamber of Commerce.

The members of these committees are asked to be at the meeting here tomorrow and to assist with the details of the morning's program.

The personell of the men in charge include F. L. Rentz, general chairman; Ira Ramsey, James W. Cole, N. E. Sampson, J. A. Boak, W. H. McCullough, J. W. Bronson, J. F. Glasser, Frank Forbes, John Kelso and H. H. Sherrard.

Mrs. Herbert Hoover New 'First Lady' Given Considerable Praise

MRS. HERBERT HOOVER

(International News Service)

WASHINGTON, Nov. 8.—An ineffable poise and graciousness, almost unparalleled among the many efficient matrons and hostesses of official and social Washington—and there are a number of those charming ladies in the national capital who can lay claim to these cardinal virtues—will mark the advent of Mrs. Herbert Hoover in the White House.

Take the word of Mrs. Wm. E. Borah, wife of the militant senator from Idaho for the foregoing as expressed to International News Service today. An intimate of Mrs. Hoover during the course of her stay in Washington as wife of the erstwhile secretary of commerce and the present president-elect of the United States, Mrs. Borah summed up the social prospects of the incoming "first lady of the land" thus tersely:

Ideally Fitted.

"I think she will be ideally fitted for her most exacting duties as mistress of the White House. She has more poise almost than any person I have ever known. She is gracious without being gushing. She entertains pleasantly without any effort at all. Her manner is simple, yet most sincere.

"A stranger to my mind, who meets Mrs. Hoover feels he is a stranger for a very few moments. She has a directness and understanding that endear her immediately to new acquaintances.

Senator Borah was one of the two outstanding "minute men" who campaigned for Mr. Hoover, former Secretary of State Charles E. Hughes was the other. Mrs. Borah as wife of the Republican chairman of the all-powerful senate committee on foreign relations has come much in contact with Mrs. Hoover socially.

"There is a touch of intimacy and enjoyment at all of Mrs. Hoover's functions, that is most enjaoyable" she said.

Million Dollar Smile.

Mrs. Hoover according to her closer friends here brings a simplicity and straightforwardness into the White House that seldom has been equalled. If the reports of her friends are to be believed—and they are offered with the greatest sincerity—she will rival Mrs. Coolidge, known as the lady with "the million dollar smile."

Mrs. Hoover's predilictions seem to be far from social. She prefers to be "up and doing." She was an ardent and efficient worker while her husband was supervising the task of feeding world war refugees and later while he was impressing upon the American public they should conserve essential food suplies for the American army at the front.

Her motto seems to be "action and service." She told an acquaintance recently she abhorred inaction. The business of being the wife of a world figure and the mother of two sons, one of whom is married however dissolve any such prospect of inactivity.

Were it otherwise Mrs. Hoover said "I would find some work even if life didnt lay it out for me.' Her recent activities would indicate she finds plenty to do nevertheless. For instance she has been head of the Girl Scout movement for quite a few years past and her charity work has been far from unnoticed.

Chest Campaign Will Cost Less Than Last Year

Actual Cost Will Be Less Than $5,000 Is Declaration Of Herbert Pearis

That the actual cost of the 1928 Community Chest campaign will be well under $5,000 is the belief of Herbert Pearis, director of the campaign, who also states that the campaign last year cost $5,955.11.

"I cannot see how the chest campaign will cost more than $5,000 this year, when all the expenses are counted in," stated Mr. Pearis. "And the people must remember that this total includes every possible expense, even the so-called expensive "banquets" which the workers attended during the time that the campaign was in progress.

"It has been reported that the fee of the campaign director would be more than $5,000. But that is not so. Actually, the fee of the campaign director is far less than most people suspect. I might say at this time that the fee of the campaign director only represents a small portion of the expense of the campaign.

"On the street one will hear rumors to the effect that the expense of a campaign usually is at least 50 per cent. of the money solicited. Last year we solicited $100,000 and expended less than $6000. This alone will spike that rumor, which was instigated by men who were opposed to the Community Chest."

HIGH BLOOD PRESSURE

Doctor's Discovery Reduces It Quickly and Dizzy Spells Disappear

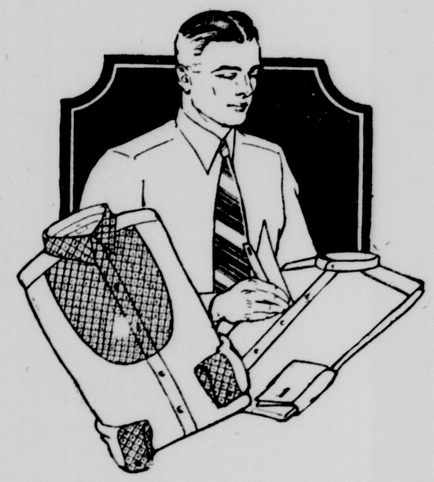

Thousands who have dizzy spells, sleeplessness, nervousness, shortness of breath, pains in the head and impaired energy have been told by physicians or insurance examiners that they have high blood pressure. The serious results are well enough known to check it at once. High blood pressure caused by overtaxing the heart often brings on serious conditions.

Norma reduces high blood pressure. Often one bottle will do it. Many have so testified. It is a doctor's prescription and is much used by women at the changing time of life who usually have blood pressure above normal. Ask for Norma at any drug store

May Name Red Cross Drive Leader Tonight

Postponed Session Of Local Board Will Occur 7:30

Pat J. Dempsey, executive secretary of the Lawrence county chapter of the American Red Cross, announced today that the postponed meeting of the organization's board of directors would occur at Temple building headquarters at 7:30 o'clock tonight.

Mr. Dempsey is of the opinion that a number of very important chapter matters will be decided at this time, among which will probably be the selection of a chairman for the coming Red Cross county roll call. Other business will also be settled.

Hoover Leads In Texas By 16,481 Over "Al" Smith

Texas, Normally Democratic State Gives Herbert Hoover Fine Majority

(International News Service)

FORT WORTH, Tex., Nov. 8.—With 636,632 votes counted representing returns from 250 of the 253 counties of the state, 87 complete, Herbert Hoover was leading Governor Al Smith by 16,481 votes. Smith made some gains in late counts but it was not expected to materially affect the result.

Latest tabulations gave Hoover 326,556, Smith 310,075.

First M. E. Society Has Memorial Service

Beautiful Tribute Given To Members Who Have Passed Away During Year

A beautiful memorial service was held Wednesday afternoon by the Social Union of the First M. E. church in memory of Mrs. Frank B. Hamilton and Mrs. C. H. Lee, two of the members who have died within the past year.

Mrs. J. S. Westlake, president of the Social Union, called first upon Mrs. Martha Ketler, who spoke feelingly of what these two women had meant to the organization and to the church. A beautiful duet was sung by Mrs. J. Ernest Whittaker and Mrs. F. S. Neign after which the pastor of the church, Dr. H. C. Weaver, paid a fitting tribute to Mrs. Lee and Mrs. Hamilton, both of whom had been active workers in the church for many years. The service was concluded with prayer and the benediction.

Despondent Woman Takes Her Own Life

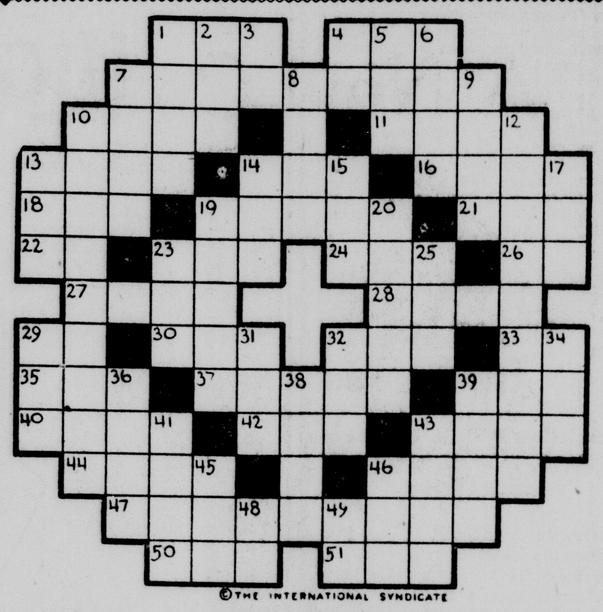

YOUNGSTOWN, O., Nov. 8.—Despondency over illness today caused Mrs. Mary Mincer, 59, of Smethport, Pa., to hang herself at the home of a relative here. She recently sustained serious injuries in an auto accident and, in a note last evening, said she had tried to end her life at that time by jumping in front of the car.

PETER'S ADVENTURES in ANIMAL LAND

BY MRS. FLORENCE SMITH VINCENT

A COUNTRY THAT'S CRUEL TO A STRANGER

"Of course Golden-Collar chuckled and told his lady love that she could have exactly the sort of front porch she pleased.

"'But,' he continued, 'now that we have settled our own affairs will you tell me where you came from, what you were doing so far away from home and who were those funny fat Two-Legs that were chasing you when first I set eyes upon you?

"Susan Straw-Neck, nestling close beside him, explained matters.

"'I was out feeding with the flock this afternoon, but I had eaten so much in the morning, that I was really not a bit hungry, so I stopped to rest by the side of the loveliest pool. At last I could stand it no longer, I must take a dip.

"'So in I hopped and waded around to my heart's content, and I let the water cover me up to the very tips of my wings. It was so delightfully cool there that I quite forgot the rest of the flock and suddenly I looked for them, only to find that there was not a bird in sight.

"'Where in the world had they gone to? I had been so busy bathing that I had not even noticed in what direction this flock had flown! Was it north, east, south, or west?

"'You have seen for yourself what a strange country this is. For a distance the land is flat as a flounder and then a hill will hide the trees and sky from your sight. But when you have crossed the hill once more are the plains spread out before you.

"'And everywhere there is low brush, beyond which you cannot see. In places it is very deep and dreadful things live there; in others only a few clumps of low, thick trees cluster together.

"'This is Australia, you know, one of the greatest countries in the world. But out here on the plains a bird has to keep his eyes and ears open and his senses about him to know where he is or something is liable to happen.

"'And that is just what I did not do—keep my wits about me. I had been so interested in having a good time that I had let my family get out of my sight and without having the least idea where they were going.

"'I called and called, but not a bird answered. Then I started to follow, but not knowing which way they had gone, I must have taken the wrong turn. Anyhow not a sign of the flock did I find—not even their footprints in the damp ground.'"

"THE REST OF THE BIRDS FLEW OFF, LEAVING HER ALONE."

Two Local Boys Go To Ohio State

William Jenkins And Alan Plant Are Among 10,000 Students

COLUMBUS, O., Nov. 8.—Two students from New Castle are included in the greatest enrollment in the history of the Ohio State university. Students from all quarters of the globe are now registered at the university. Four continents, 14 foreign countries and 43 of the 48 states are represented in the campus population, despite that over 90 per cent of the 10,000 students are natives of Ohio.

The list of students shows that William John Jenkins and Alan Abraham Plant are from New Castle. Jenkins is enrolled in the school of engineering, while Plant is taking commerce and administration.

State Bond Issues Believed Defeated In Tuesday's Vote

Only Penn State College Issue Appears Approved By Electorate Of State

Optional Voting Machine Amendment Looks Like Probable Winner

By S. I. NEIMAN
International News Service Staff Correspondent

PITTSBURGH, Nov. 8.—Only one of the five proposed state bond issues today appeared to have a good chance of receiving the approval of the Pennsylvania electorate, on the face of incomplete returns tabulated here today.

Returns from scattered parts of the state indicated that the $8,000,000 issue for Pennsylvania State College has won the voters' approval. If complete figures bear out the present trend, it will mean that the proposed $50,000,000 issue for highways, a similar one for state welfare and correctional institutions, a $25,000,000 issue for the purchase of Pennsylvania forest lands and a $5,000,000 issue for armories will fail of approval.

Voting Machines Approved.

Early returns give the proposed optional use of voting machines a substantial lead, and since of the bulk of the early returns were from the larger centers of population, it was thought this indicates a victory. A companion amendment, allowing the legislature to realign voting districts without respect to the number of voters, also apparently had won.

The proposed amendment pertaining to the state ownership of a printing plant and the maintenance of this bureau met with considerable opposition. First returns show a heavy vote against it.

The amendment providing for a Pittsburgh Metropolitan district carried Pittsburgh and Philadelphia, and this lead may bring it victory. McKeesport and Duquesne voted against it, as did many outlying counties.

The amendments changing the fixed indebtedness of second class cities and the Philadelphia debt limit fared poorly on early returns.

Governor John S. Fisher went on record before the election as opposing all amendments except that pertaining to the highway bond issue, and State Treasurer Samuel L. Lewis opposed the whole list.

WARREN, Pa., Nov. 8.—The $50,000,000 road bond issue amendment carried in Warren county by a 2-to-1 vote, on the face of complete unofficial returns today.

BUTLER, Pa., Nov. 8.—Not a single one of the 14 proposed amendments to the state constitution received the approval of Butler county voters, returns from 74 of the county's 84 districts today revealed.

The road bond issue was defeated by 206 votes out of 12,596 cast on this amendment.

TIONESTA, Pa., Nov. 8.—The proposed $50,000,000 road bond amendment carried Forest county 1300 to 94 and the State college bond issue won by a 3 to 2 vote, while the armory and forestry amendments met defeat by large pluralities, the complete unofficial vote here reveals.

LEBANON, Pa., Nov. 8.—The amendment approving optional use of voting machines was the only one of the 14 to carry Lebanon county, complete unofficial returns today showed.

BELLEFONTE, Pa., Nov. 8. — The complete unofficial vote in Center county shows that the State College bond issue was the only one of the fourteen proposed amendments to pass.

CLARION, Pa., Nov. 8.—The complete unofficial vote in Clarion county shows that all of the proposed state amendments with the exception of the state College bond issue were defeated.

GREENSBURG, Pa., Nov. 8.—The State College bond issue, the amendment providing for optional use of voting machines and the latter's companion amendment, providing for assignment of voting districts, were the only one of the fourteen proposed state amendments to receive the voters' approval in 47 of the 223 districts in Westmoreland county.

RIDGWAY, Pa., Nov. 8.—The State College bond issue and the $50,000,000 road bond issue both received the approval of Elk county voters, returns here indicate.

Splendid Recipe To Stop A Cough That "Hangs On"

The best cough remedy that money could buy, can easily be made at home. It saves money and gives you the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs and chest colds, giving immediate relief, is astonishing.

Any druggist can supply you with 2½ ounces of Pinex. Pour this into a pint bottle, and fill up with plain granulated sugar syrup or strained honey. It's no trouble at all to mix, and when you once use it you will never be without it. Keeps perfectly and tastes good—children really like it.

It is surprising how quickly this home-made remedy loosens the germ-laden phlegm, and soothes and heals the inflamed membranes. At the same time, it is absorbed into the blood, where it acts directly on the bronchial tubes, and helps the system throw off the whole trouble. Even those severe coughs which usually follow the "flu", are promptly ended.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of severe coughs, chest colds and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

Owen J. Roberts Quits Government Oil Counsel Post

President Coolidge Accepts Resignation Of Owen J. Roberts Today

On Friday evening Mr. Geiger's Bible class will meet for its usual study. Saturday afternoon the children will meet for their first session of the sewing school at 2 o'clock. Any little girl in the city is welcome to attend. The sewing school will be in charge of Mrs. F. A. Childs.

"Don't Ride Rails" Coulthard's Note

Falling leaves and a drizzle today made automobile operation hazardous and C. C. Coulthard, superintendent of the P.-O. railway sounded a note of warning for motorists to not let their automobiles "ride the rails." The water and leaves, he said, would make skidding doubly probable. Operators of street cars have also been advised to use extraordinary caution.

Berks County Again In G. O. P.

(International News Service)

READING, Pa., Nov. 8.—With Berks county again in the Republican fold for the first time in a score of years, Paris E. Eaches, veteran Republican member of the general assembly, re-elected for his eighth term, today announced his candidacy for the speakership of the house in 1929.

The defeat of Wilson G. Sarig, of Temple, Democratic leader of the house, was the most startling upset in the county but every Democratic representative lost.

Beck And Rooney Neck And Neck In Congress Fight

Republicans Show Beck In Lead, But Democrats Dispute This Claim

(International News Service)

PHILADELPHIA, Nov. 8.—The re-election of Congressman James M. Beck in the First District was claimed today by the Republicans while the Democrats claimed the election of William L. Rooney. Only the final official count of the votes in the seven wards will determine the result.

The official count started today. Beck claims the election by 101 votes while Rooney's followers on the basis of first unofficial returns claim victory by 195 votes.

Even though the official count may give the post to Beck it is certain he will have to face another contest for his post at the next session of congress. He faced a contest at the last congress on the basis he was not a citizen of Pennsylvania, but won.

Roosevelt Is New National Figure

(International News Service)

NEW YORK, Nov. 8.—A new national figure arose today from the ashes of the Democratic party—Governor-Elect Franklin D. Roosevelt, of New York.

Drafted as the Democratic gubernatorial candidate to strengthen the Al Smith presidential ticket, Roosevelt outran his party's chief. Despite the crushing defeat administered Governor Smith in his home state, Roosevelt was swept into the governorship and pulled the Democratic state slate with him.

His friends say that perhaps in 1932, Roosevelt will be a presidential contender, politicians say Roosevelt would make a better race than Smith.

Continue Work On Three City Projects

Practically all municipal contracts for 1928, have been completed, City Engineer F. F. Miller stated today. However, contractors are still working on the grading projects in Hazelcroft avenue and the construction of the Cascade street and Liberty street sewer system.

TWO ARE COMMITTED TO COUNTY JAIL

James N. Thomas was committed to the county jail last night on a charge of assault and battery and surety of the peace, made before Alderman William Marshall.

Homer Phillips was committed to jail for violating his parole at Dixmont hospital.

Find No Trace Of Vandegrift

The police authorities of the city have been conducting a thorough investigation of the city since the disappearance of Edward Vandegrift, Jr., of 11 Point Place, last Monday night, to try and find some trace of him in this city. So far the investigation has been without result. The authorities are continuing their effort to locate him, not only here but in surrounding cities and towns.

COLDS MAY DEVELOP INTO PNEUMONIA

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

Special Low-Priced
Pines AUTOMATIC
Winterfront for Chevrolets

CHEVROLET owners—and owners of all small cars—don't make the mistake of trusting as vital a thing as motor protection to memory and guessing, for the sake of a dollar or two.

When you guess about what to do for your motor in cold weather—9 times in 10 your guess is wrong—and your motor suffers.

Get positive dependable automatic motor protection

You have noticed the shutters now standard equipment on many leading cars. They are *automatic*. Their makers take no chances with cold. There is no waiting for the smell of heat—no guessing it's cold. *Automatic motor protection* guards your motor with scientific accuracy. The shutters open themselves when your motor needs cool air. They close themselves when your motor needs heat. Cadillac, Lincoln, LaSalle, Hupmobile 8, Chrysler 75 and 80, Dodge Senior Six and Pierce-Arrow now have this protection.

Motor Protection must be Automatic

Offered you at a special price

And now, so that Chevrolet owners can enjoy the same protection afforded owners of these fine cars, a specially priced Pines Automatic Winterfront is offered you. One that costs but little more than makeshift methods.

Pines Automatic Winterfront gives you full protection against excess dilution, scored pistons and cylinder walls, fouled spark plugs, corrosion and extreme carbonization. These are the troubles that bring costly repair bills and lower the efficiency of your motor.

Drive in—have your car equipped in a few minutes—and forget the danger of cold as long as you own it. Thermostats are guaranteed.

Accept no substitutes. Demand the same *automatic* motor protection used by leading car manufacturers. There is only one *Automatic Radiator Shutter* on the market. In your own interests, ask for it by name.

Now You Can Banish Pimples In Few Days

Costs But a Few Cents to Have Clean, Clear Skin You'll Be Proud Of.

No matter how many things you have tried to rid yourself of pimples and blackheads or how expensive the treatments have been you are not doing yourself justice until you get a 35 cent box of Peterson's Ointment and give it a chance to free your skin from all blemishes and make it soft, velvety and good to look upon.

Mrs. Minnie Jones of Louisville writes: "Peterson's Ointment sure is fine for blackheads. My face was covered with them, but after using the ointment they are all gone."

And in a letter about pimples, Miss Genevieve Linehan of Bradford, Mass., writes: "I had tried most every kind of ointment for pimples, but found none as good as Peterson's Ointment. I am on my first box and my face is nearly clear. I am very pleased with it."

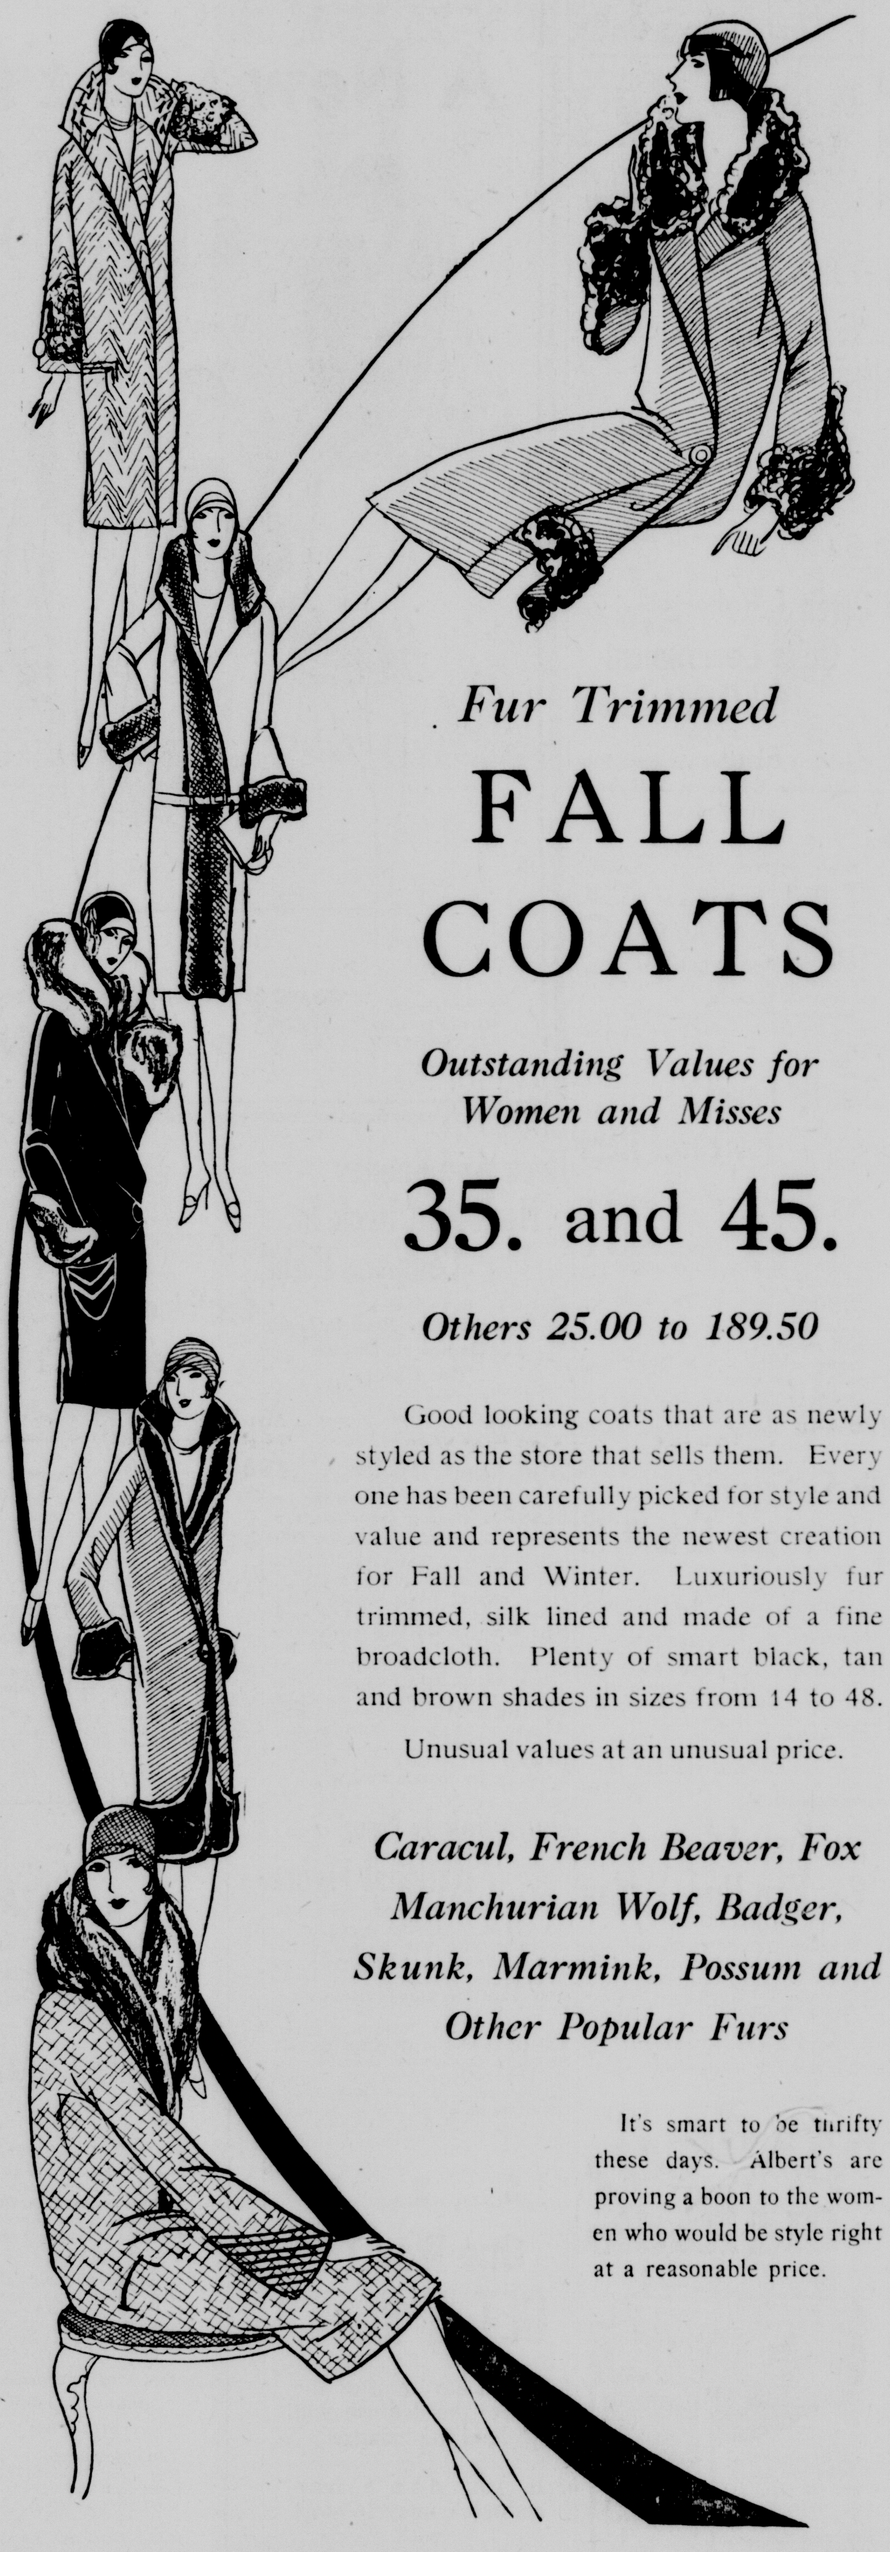

Druggists everywhere sell Peterson's Ointment. It clears the skin. 35 cents a box.

Take Jesus Now, Erickson Urges

1,700 Hear Splendid Theme Of Local Evangelist Wednesday Evening

TESTIMONIALS FEATURE INTERESTING MEETING

In his sermon delivered before a multitude of almost 1,700 persons that thronged his Everybody's tabernacle Wednesday night, Evangelist C. H. Erickson urged everyone to accept Jesus at once and to decide for all time that important question which Pilate of old raised when the Master was hurried before him for trial: "And what shall I do then with Jesus which is called Christ?"

For nearly seven weeks Rev. Erickson and the members of his evangelistic party, have been holding services at the commodious wooden tabernacle at the intersection of South Mill and Friendship streets. Each evening finds hundreds in attendance. The praise service conducted by Mrs. Erickson and the members of the colored quintet and the testimonials of wonders worked through Divine healing are astounding. Likewise the messages that Rev. Erickson delivers are "hitting the mark" and being enjoyed, but of the sermons heard so far it is doubtful if any have eclipsed the one given last night as far as interest is concerned.

Taking for his text that verse in the 27th chapter of St. Matthew which bears Pilate's vital question, Evangelist Erickson compared that day with the present, pointing out ways and times when we of today are brought face to face with a similar query of no less importance than the question with which Pilate dealt.

"Pilate found no wrong with the prisoner" said Erickson. "He knew not what to do, for the multitude was crying 'crucify Him.' Thinking that by washing his hands with water and delivering the Master unto the crowd he would in no way be held accountable, Pilate only lost his everything.

"Perhaps his temporal gain right there and then was great and his standing amongst the populace bettered, but he lost all eternal reward. He had no strength to do the right. And this is what many persons lack today.

"Pilate went through his regular ceremonies and handed Christ over to the maddened crowd not thinking of the harm he was doing himself. Today we sometimes go through ceremonies like this and fail to recognize the right until it's too late. We go to church and participate in activities that are religious but in many cases we weaken when asked to confess Jesus as our Saviour publicly.

"What with Christ?" is an important question and you alone must answer it. It will mean a great deal for you if you only say you'll take Him. A man who'll say he will choose Jesus now will assure for himself a life in the hereafter. Soon Jesus will ask of us, "What with you?" It'll then be His turn to decide ,a time when it will be altogether too late for you to accept Him.

"Men are troubled by their own sins now" said the evangelist in closing. "Only say you'll take Jesus for your guardian through life and all troubles will leave you. Take Him today and not tomorrow."

Wednesday evening's service was featured by the usual praise service and a vocal solo by Spurgeon Jones a member of the colored quintet. The quintet also sang.

Tonight Rev. Erickson will speak on "The Signs of the Times." This is a second sermon on this subject and will be enjoyed by all.

Oldest Residents Of New Wilmington Cast Their Ballots

Ninety-Three Year Old Democrat Votes For Hoover; Other News Notes

(Special To The News)

NEW WILMINGTON, Nov. 8.—One of the most dramatic happenings at the New Wilmington polls Tuesday was the voting of the oldest residents of the town. The Rev. D. M. Thorne, who is 93 years old and who has been a Democrat all his life, voted for the Republican presidential candidate. This is the first time that Mr. Thorne swerved from the party of Jefferson and he said that it made him mad to have to do it.

Another college town citizen, Mrs. Elizabeth Eckles, who is 96 years of age, was probably the oldest resident of the town to cast a ballot. It is said that she also voted for the Republican candidates.

IS REPUBLICAN.

New Wilmington was very predominantly Republican in the election day balloting, Hoover receiving 468 of the 484 presidential ballots cast. Smith received 14 and Varney two. Swick drew a majority of 437, Weingartner had a 435 to 18 count in his favor and Bickett lead 402 to 54.

Reed, Martin and Porter all received overwhelming majorities in the college town, each garnering over 430 votes.

NEW WILMINGTON NOTES

The official board of the local Methodist church met in the church parlor yesterday evening and acted on routine matters.

Work is continuing on the operetta that will be put on by the glee club of the local high school. The presentation of the difficult piece will take place sometime near Christmas.

GARDNER

Mrs. M. J. King of Gardner spent two weeks with her relatives at Kittanning and Ford City, returning home last Sunday night.

Mr. and Mrs. Willard Kennedy of Gardner entertained the latter's father, Joseph Swogger, Mrs. Swogger and children of Wampum at dinner last Sunday.

Miss Selma Benson of Gardner is staying this week with her sister and husband, Mr. and Mrs. Harold Gray of New Castle.

Mr. and Mrs. S. H. Norris of Gardner were dinner guests at the home of their daughter, Mr. and Mrs. Albert Ellis of the North Hill in New Castle last Sunday.

Mr. and Mrs. T. W. Dickson and Mrs. E. O. Alexander and son Francis of Gardner went to the home of Mr. and Mrs. H. L. Wood at Albion, Pa., last Friday and came home Sunday evening.

Mrs. J. B. Stevenson and child of Butler and Mrs. Maude Croup of Princeton spent a couple of days with their sister and husband, Mr. and Mrs. A. H. Robb of Gardner

Mrs. Harlan of Gardner went to Harlansburg on Tuesday to cast her vote for Hoover, returning that evening and receiving word on Wednesday morning of the very serious illness of her sister-in-law, Miss Julia Harlan of Harlansburg.

Four of the children of Mr. and Mrs. Payne of the Ellwood road have scarlet fever, but all seem to be recovering nicely.

The members of the Gardner Sunday school are deeply grateful to the men of the Radiator works for their splendid gift of an excellent piano. The leaders of the school have taken great pains to teach the children to sing and the piano will be a wonderful help after we once are able to meet at Gardner chapel. Many thanks to the generous donors.

Attorney C. W. Fenton and Mrs. Fenton of Wilkison stop entertained at a family dinner last Sunday. Those present were their father, H. F. Fenton, D. C. Fenton of McKees Rocks, Mr. and Mrs. Fred Fenton of Youngstown and Mrs. Lewis and daughter Evelyn Jane of Wichita, Kan., who spent the summer here but left for their home on Tuesday.

The family of Rocco Orsini are moving this week from Gardner to a new home on Croton avenue.

Clifford McDonald of the Ellwood road went to Washington, Pa., to see the recent football game.

Next Sunday night at 7:45 the Woman's Mission circle of Center U. P. church will present a thank-offering pageant. The Sunday school orchestra will render a number of selections and Mrs. Willard Kennedy of Gardner will sing.

Paul Swisher, 19-year-old son of Mr. and Mrs. Ralph G. Swisher of R. D. 7, was in the hospital several weeks with rheumatism and heart trouble but is now at home and is recovering nicely, though not yet able to be about.

Miss Clare Lytle of East New Castle gave a delightful party for her Sunday school class of the East New Castle mission last Saturday afternoon. It is the Beginners class and the little folks all wore masks and very funny costumes. Ten children enjoyed the games and toothsome dainties which their faithful teacher provided.

SEVENTH WARD NEWS

New Discipline Plan At Mahoning School This Year

Self Control Diploma Is Award; Other News Notes Of Seventh Ward

In order to provide an opportunity for every pupil of Mahoning school to develop self-control, a new plan for school discipline is being inaugurated this year.

A Self Control Diploma will be presented as the highest honorary award of the school to those classes which by evident self-control win the approval of teachers and student leaders.

If a class shows a marked degree of self control in the halls, on the stairs, and in the class rooms, if they have been courteous and orderly the teacher may write a commendation in the class book. When the class is ready they may petition the principal for a Self Control Diploma. Every pupil of the class signs the petition which is also a pledge.

When a class has presented a petition, it is on probation for two weeks. All petitions will be investigated and must have the approval of all teachers. Should it be favorably considered by the teachers it is marked "Approved," and diploma is to be awarded. The diploma is the property as long as the class lives up to the standards set for such reward. A class that proves unworthy is temporarily deprived of its S. C. D. or Self Control Diploma.

ENTERTAIN CLASS

Harold Jones of Newell avenue was host to the members of the Sabbath school class of the Nazarene church taught by Fred Morrow, Tuesday evening in his home. Twelve young men were present. During the evening there was a business meeting and Mr. Morrow gave an interesting talk.

Life Was Burden Before This Man Got Ten Herbs

Local Resident, 70, Says It Is Wonderful Medicine; Stomach And Liver Trouble Gone.

"I have been surprised and delighted at the way wonderful Ten Herbs has relieved my health troubles", was the recent statement of Mr. Hiram Pitzer, 522 West Madison Street, New Castle, to the Ten Herbs

MR. HIRAM PITZER

Man, who is at Eckerd's of New Castle, Inc., 30 East Washington Street, this city, where he is daily demonstrating this celebrated herbal medicine to crowds of men and women of all ages and stations in life.

"For some time my stomach had caused me a great deal of trouble," continued Mr. Pitzer, who is 70 years of age and a railroad man. "Food did not digest properly. I seemed to be filled with gas all the time, and was continually retching to bring it up. My liver did not act as nature intended and I suffered with headaches and intense nervousness. I could not sleep at night and would have to arise several times. There were intense pains through my limbs and they ached about all the time. I spent considerable money for different kinds of medicine without getting relief. Life was a burden to me—sometimes it hardly seemed worth living.

"I read about Ten Herbs in the paper and made up my mind to give your medicine a trial. After taking it awhile, I feel like a much younger man. My stomach has been greatly improved. I relish my food and it digests properly. Gas and retching have been relieved. My liver has become more active, and I no longer have a tired feeling. I feel more like working. My nerves are in much better condition, and the pains through my limbs have been relieved. I want to endorse Ten Herbs to the public."

Let this modern medicine cleanse, strengthen and revitalize your whole system. Let it benefit and invigorate stomach, liver, kidneys and bowels. Start taking Ten Herbs today and you may soon feel the thrill of glorious health.

The Ten Herbs Man is at Eckerd's of New Castle, Inc., 30 East Washington Street, this city, where he is daily meeting the public and explaining the merits of this medicine.

Have You Piles?

Dr. Leonhardt's prescription HEMROID will surely and safely relieve any form of piles—quick action in even old stubborn cases. No cutting—no greasy salves. It's an internal remedy that removes the cause. Money back by McKee's Kut Rate Store, Eckerd's of New Castle, Inc., and all good druggists if not satisfied.

Little Green Capsule Stops Rheumatic Agony

One Every Hour for Ten Hours and Relief is Almost Certain.

Often in Five Days, Even the Tenderness Is Gone

The fame of the little green capsule, because of its canny power to speedily stop the terrible rheumatic pains that make life almost unbearable, is rapidly spreading all over America.

You go about conquering your merciless rheumatic enemy in a different way—a knock-out way. You take one tiny capsule each hour for the first ten hours.

The second day, take one every two hours for 14 hours—then take 4 little green capsules every day until every last little twinge and every bit of tenderness is gone and your rheumatic troubles have ceased.

The little green capsule now so much in demand from coast to coast must have a name so it is known in every worthwhile drug store in America as Allenrhu Number 2.

McKee's Kut Rate Store says these little wonder-working capsules must banish all pain and torture in 5 days or money cheerfully refunded.

"Scandal Boxes" Are Replaced By Regular Service

PERRYOPOLIS, Pa., Nov. 8.—Scandal and gossip are at a premium in this district now. The old "listening post", the rural party telephone line with a dozen or more families on each line, has been displaced by regular telephone service. A newly constructed exchange has been "cut in" by Manager J. E. Hess. There are 142 subscribers.

Kirker Attends Y. M. C. A. Meeting

A meeting of the Y. M. C. A. district physical directors is taking place today at the New Brighton Y. M. C. A. building. Walter Kirker, physical director of the New Castle organization is attending this meeting.

The purpose of the meeting is to organize districts in order to have district competitive sports and then a championship meeting for the entire state.

The cities represented in the New Castle district are New Castle, New Brighton, Sewickley, Butler, Tarentum, New Kensington, Sharpsburg and Coraopolis.

A CLEAR COMPLEXION

Ruddy cheeks—sparkling eyes—most women can have. Dr. F. M. Edwards for 20 years treated scores of women for liver and bowel ailments. During these years he gave his patients a substitute for calomel made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. Know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—now and then to keep fit. 15c, 30c and 60c.

THE NEWS, ONE YEAR, BY MAIL, $5.00

Local Man Has Relic Of Old Campaign Days

A "complimentary ticket for a Democrats on the steamer 'Fre Trade', which was going up Sa river," printed in steamship ticke style with all the trimmings and use after the election in 1880, is in th possession of Charles A. Siegfreid 431 County Line street.

The ticket was a jibe sent to th losing party members after the elec ion and is a choice bit of sarcasm t say the least.

The ticket entitled one to fre moonshine, some free dog biscuits and also a chance to change parties and reform if vouched for by three Republicans. It also gave the bearer the free ride up "Salt river" in the steamer manned by Grover Cleveland. Barnum was named as one of the promoters of the scheme.

The old ticket was brought to The News by Mr. Seigfreid and is an interesting bit of history of the times when an election was a pugilistic battle and the aftermath one sempiternal argument and harangue.

Man Uses 16 Year Old Automobile Every Day

Nearly 16 years of age, has ru 110,000 miles, and the engine not ove hauled in the last 40,000 miles; tha is the record of the 1913 gas bugg owned by E. W. Dean of North Jeffe son street.

Mr. Dean states that the car run well, that it will maintain a speed 55 miles per hour and he believes it is still good for no less than 50,00 more miles.

The motor in the old gas buggy quiet and the bus, now going on th age of sweet 16 and never kissed, wi zip up over Jefferson street hill lik a 1928 sportster, he says. He recently made two trips to Pittsburgh in one day and brought back a full load each time.

This is the oldest car reported as yet to be in actual use in the city and county.

BOY SCOUT Activities

Methodist Episcopal Troop

The Methodist Episcopal troop held their weekly meeting at the Aiken school on last Tuesday evening with Mr. McCurdy in charge. Scoutmaster Raney was not present.

Games were played and the meeting was adjourned at 8:30.

HIGHLAND TROOP

On Tuesday evening, November 6, Highland Troop 18 held a very interesting meeting in the "Highland Cave." Scoutmaster R. F. Davis was in charge and was assisted by Assistant Scoutmaster Bott. There was a large attendance and troop committeemen L. A. Fehl and T. C. Boston were present.

After the opening exercises, there was a business meeting in which the troop decided to start an individual point contest and all of the scouts of the troop will participate in this contest. In this contest the following system will be used:

Attendance, 5 points; Uniforms, 5; Dues paid, 5; Badges, 5; Books, 5; Displays and projects, 25; Hikes, 5; Contests, 15, 10, 5; and Good Turns, 15, 10, 5.

Plans were made for a target practice to be held at the next meeting at which time the scouts will try out for Marksmanship Merit Badges.

Displays, such as merit badge displays, pictures of birds knotboards and pictures, are being made to put on the walls of the meeting place.

The Scouts were thanked for working for the Community Chest and appearing promptly when called.

On a Monday evening in the near future, the Highland troop combined with the Elks Troop No. 5 will hold a court of honor in which the scouts of the two troops will receive awards for their efforts in Scouting, either since camp or at camp.

After several business discussions and the closing exercises, the meeting was adjourned.

The next meeting of the troop will be held in "The Highland Cave" next Tuesday evening, November 13.

Woman 101 Casts Her First Ballot

KITTANNING, Nov. 8.—Mrs. Catherine Mohney, 101 years old, cast her first vote Tuesday, and declares that it was for Herbert Hoover. Mrs. Mohney resides with her son, David, on Christy avenue, Ford Cliff. She was born at New Bethlehem, Clarion county, and only recently the old family Bible was found, which established the date of her birth, which has been in question, as Mrs. Mohney had always said "I am well past 90."

More Charm—

no blemishes now

UNDERNEATH a clear, smooth skin, healthy tissues —*full of rich, red blood*—thrive.

No worry about pimples now. Instead there is a certain satisfaction that gives confidence.

All this because rich, red blood is Nature's way of building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause —through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite — building strength—and clearing the body of so-called skin troubles.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.

Smith Through, Tells Scribes

"I Will Never Run For Public Office Again," Says Governor Smith

PLANS TO TAKE LONG VACATION

(International News Service)

NEW YORK, Nov. 8.—Governor Al Smith definitely announced Wednesday that he is through with public life.

"I never expect to run for public office again" the governor told newspapermen at a conference in his suite at the Biltmore hotel. "I have had all of this that I can stand. I have given the best years of my life to it, but I'll never lose my interest in public affairs."

The governor appeared refreshed and much rested after a ten-hour sleep. He was in good humor. He laughed and joked with reporters just as he did during the days of his campaign when he was so confident the American voters would send him to the White House.

The governor said he was "feeling fine." He will return to Albany tomorrow he said and after cleaning up pending state business will take a vacation.

Undecided on Future.

Questioned as to what business he expects to engage in when he returns to take up his home in New York after laying aside the reins of the state government on January 1 the governor said:

"I must think about that because that requires some thought."

Pausing a moment while a smile spread over his face the governor added, "at any rate I am going to work." When he was asked if he had any regrets about the campaign he replied:

"I have only pleasant memories of the campaign."

Much Money Is Spent To Remove Snow From Roads

Pennsylvania Pays $840,638 To Clean 8,413 Miles Of Highways

By ARTHUR C. WIMER
Special Washington News Correspondent

WASHINGTON, D. C., Nov. 8. — The Pennsylvania state government last winter cleared snowfall from 8,413 miles of highway within the state boundaries at a total cost of $840,638, according to the United States bureau of public roads. The state ranked third of the forty-eight in the mileage of roads cleared of snow but first in the amount expended on such work.

Wisconsin came first in snow removal work, clearing 17,495 miles of highway, and New York came second, clearing 8,656. Pennsylvania expenditures on snow removal activities, however, exceeded those of Wisconsin by almost $400,000 and were greater than New York expenditures by more than $300,000.

In snow removal activities in the Keystone State, equipment was used last winter comprised of 595 truck plows of the displacement type, 95 tractor plows of the displacement type, 21 tractor plows of the rotar type, 595 trucks, 116 tractors, and 65 graders.

A total of 308 miles of snow fence was also built in Pennsylvania last winter as a protection for traffic in addition to the roads cleared of snowfall, according to the public roads bureau.

Figures from records taken in various parts of the state reveal that the average seasonal snowfall in the state last winter amounted to 44.5 inches. Seventeen other states of the Union had a heavier snowfall than Pennsylvania for the season.

Eisteddfod Opens At Wilkes-Barre

Total Prizes Aggregating To $5,000 Will Be Given In Contest

(International News Service)

WILKES-BARRE, Nov. 8.—Choruses from various sections of the United States and Canada were gathered here today for the opening of the National Eisteddfod of America which will continue until Saturday.

Fourteen of the choruses that have registered here are those from Cleveland, Johnstown, Pittsburgh, Erie, Philadelphia, Easton, Allentown, Scranton, Wilkes-Barre, Plymouth, Somerville, N. Y., Schenectady, Utica and St. Thomas, Canada.

The two chief prizes of the competitions will be for purses of $1,500. The first will be awarded to the winner of the mixed chorus groups of not less than 85 voices while the second will be given to the winning male chorus of more than 70 voices. Total prizes to be awarded aggregate $5,000.

Arrangements have been made to accommodate 10,000 persons during the competitions. The festival will be conducted under a grant of the National Eisteddfod Association of America.

Thirteen States Now Have Uniform Laws For Traffic

Pennsylvania Is Only State That Has Adopted Complete Uniform Code

Thirteen states of the union have now enacted substantial parts of the uniform vehicle code in falling in line with Pennsylvania which has adopted the code in its entirety, states Bernard Hanlon of the New Castle Motor club.

The code when adopted by all of the state, will mean a complete uniformity in traffic rules throughout the entire nation and will facilitate traveling in other states.

The states which now have the uniform code or a substantial portion of it are Pensylvania, North Carolina, Idaho, Arkansas, Michigan, Minnesota, Washington, California, New Hampshire, Oregon, Virginia and Arizona.

Motorists traveling in these states from Pennsylvania will note that traffic rules are identical with those of their own state.

Large Crop Brings Apple Prices Down

Pennsylvania Growers Will Find Higher Prices Later, Is Report

By ARTHUR C. WIMER
Special Washington News Correspondent

WASHINGTON, Nov. 8.—Apple growers in New England, New York and Pennsylvania, where the supply of the eastern varieties is not excessive, are getting prices only about 10 per cent below last year's prices, according to the report just issued by the United States Department of Agriculture.

The general level of apple prices is lower today than it was a year ago because there is prospect of a larger total supply, the department states. The better situation in the eastern states than in the western is due to the fact that the supply of eastern varieties is not as plentiful as is the supply from the western states.

A crop of about 178,000,000 bushels, such as is in prospect this season, has in the past brought an average price to producers for the entire season at least 20 per cent higher than present prices, the department states. This suggests that if apple history repeats itself this year prices in general are likely to be higher later in the season, according to the report.

Two Are Killed; Train Hits Auto Near Pottsville

(International News Service)

POTTSVILLE, Pa., Nov. 8.—Two men were killed when a Pennsylvania passenger train struck an automobile south of this city Wednesday.

The car was believed to have been driven by Frank Huff of Lock Haven. Huff was instantly killed and Harry Pfrom of West Hazleton, who was riding with him was fatally injured. Pfrom died before he could be rushed to a hospital.

The accident occurred when the men attempted to pass ahead of a fast train at a crossing. Both men were employes of the state highway department.

Mercer Airport Is Reconditioned

License Is Granted To Ellwood City Man For Waco Airplane

By ARTHUR C. WIMER
Special Washington News Correspondent

WASHINGTON, D. C., Nov. 8.—Pilots stationed at New Castle's airports may be interested in learning that the work of reconditioning the intermediate landing at Mercer has been completed, according to the aeronautics division of the department of commerce.

Any soft spots will be marked with red lanterns until such time as the ground has settled sufficiently to insure safe landing of aircraft, the aeronautics division states.

The division also announces that Pennsylvania in the near future will have two more municipal airports, Jeannette and Matamoras having notified officials of the division that ports will be established at those communities.

W. R. Wright of Ellwood City has been granted the license No. C-6611 by the department of commerce for a Waco 10-Curtiss 90 plane, the aeronautics division states.

Tells Dyspeptics What to Eat

Strict Diets Often Unnecessary

Many foods have a strong tendency to produce excessive stomach acidity and consequent indigestion. By omitting from daily meals those foods that experience proves do not agree and limiting the diet to certain tasteless unappetizing foods, stomach troubles may, in many instances, be slowly overcome.

A more popular plan, however, is to eat the foods we like best and follow them with a good safe alkaline that will free the stomach of its excess acidity, thus preventing gas, sourness and all distress and permitting normal, painless digestion.

Thousands of people who used to find meal time a nightmare now eat as they please and keep their stomachs strong, sweet and free from acid and their digestion perfect by using a little Bisurated Magnesia—powder or tablets—after every meal.

Bisurated Magnesia instantly neutralizes excess acid in the stomach, stops sourness, breaks up gas and ends dyspepsia pain. Hearty meals digest as naturally as in the stomach of a healthy child. It must do this for you or McKee's Kut Rate Store, Eckerd's of New Castle, Inc., or any reliable druggist will return its small cost. **Make the test today.**

Bishop J. C. Ward Dinner Speaker

Bishop Roots Of China Also Makes Address At Trinity Gathering

TWO HUNDRED ATTEND EVENT

More than two hundred members and friends of Trinity Episcopal parish were in attendance at the annual parish dinner held in the guild room of the church on Wednesday evening under the auspices of the Men's Club and served by the ladies of the church. The dinner was thoroughly enjoyed by the large gathering.

At the conclusion of the dinner Ed. Connery, president of the Men's Club, introduced S. DeGraff Pearson, vice president of the Men's Club, as master of ceremonies for the balance of the evening, which place he filled in a pleasing manner.

Bishop John C. Ward of Erie was the first speaker called upon and he spoke at some length on the recent convention of the Episcopal held in Washington, D. C., which was addressed by President Coolidge and which was attended by bishops, clerical and lay delegates from all parts of the world where the work of the Episcopal church is carried on.

He then drew attention to the budget of the national church and the need of every member of the Episcopal church to contribute all that is possible, in order that the work may not be hindered and may be extended more and more.

Bishop Ward then introduced to the audience Bishop Roots of Hangchow, China, as the principal speaker of the evening.

Bishop Roots proved a most interesting speaker, telling of his work in China for the past 32 years under the auspices of the Episcopal church. He told of the national Chinese church which had been formed and was affiliated with the Episcopal communion, being simply the Chinese organization of the members of the Episcopal faith in that country.

He told how the missionaries of all Christian denominations are accomplishing much and spoke especially of the noted Christian leaders that have been brought forth in China by the Episcopal church. Some of these leaders are now of such prominence as to be known throughout the Christian world.

It was these leaders, men and women, in various lines of work, such as clergy, doctors, nurses, etc., that carried on during the recent trouble in China, when the foreign missionaries of all denominations had to abandon their work. The work they did under the circumstances, he said, was remarkable.

First missionaries to China went there about 1835. He said that had the first missionaries been told of the progress being made in Christianizing the Chinese at the present time and the numbers of those people converted to a belief in the Christian religion, that they would have considered it little less than a miracle.

He said one of the greatest hindrances to the work was the lack of unity among the Christian people back here. Greater progress, he said, would be accomplished if all were united.

At the conclusion of the address of Bishop Roots Rev. P. C. Pearson, rector of Trinity church, was called upon and made a short address in regard to the work here and its needs. R. M. Garland, member of the vestry, then spoke for a few minutes in regard to the annual canvass of the parish.

The meeting was brought to a close by Bishop Roots pronouncing the benediction.

A Better Way to Heat Your Home

Convert Your Present Heating Plant into an Automatic Installation

The Surface Combustion Gas House Heating Machine is an entirely NEW device which converts your present heating plant into a fully automatic installation, using gas—the perfect fuel.

It is a heating machine so quickly and easily installed there is yet time for you to enjoy its advantages this Winter. Low in first cost, this installation has exclusive new features in economy, safety and reliability.

The Surface Combustion Gas House Heating Machine is entirely different from ordinary gas burners. It is a newly designed self-contained machine which converts your present furnace or boiler into a completely automatic, efficient, gas-fired heating installation.

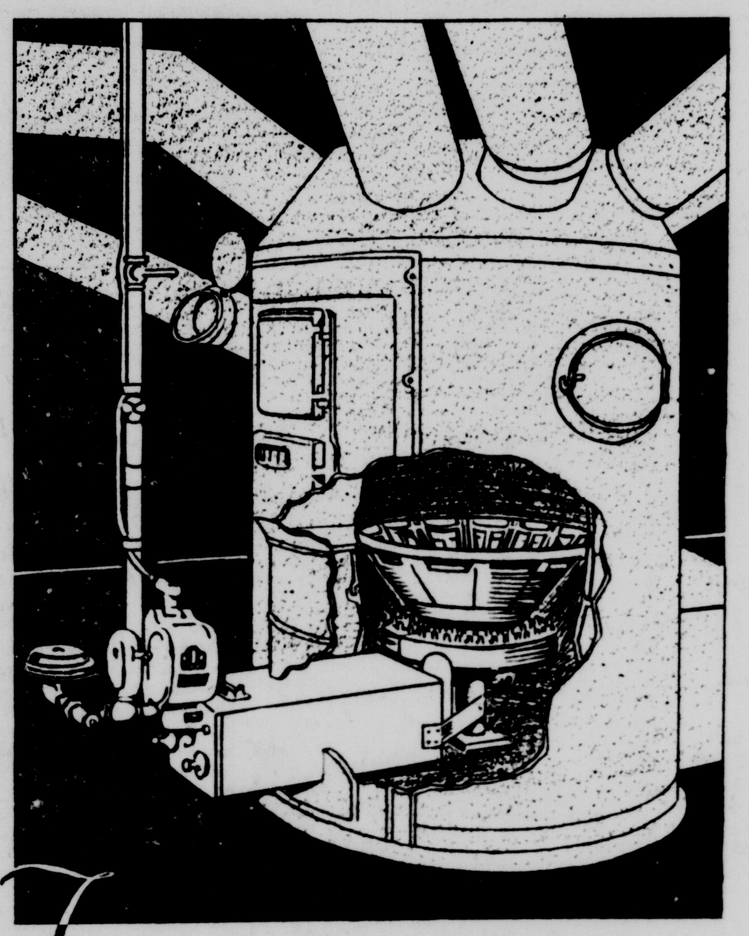

Needs No Attention

It is a better way to heat your home because it is clean, requires no attention from the day it is lighted until it is turned off in the Spring and maintains your home at an even temperature.

There is no novelty in gas heating. In New Castle alone scores of homes and thousands of our customers in other cities are enjoying the comfort and cleanliness of this modern heating method. Many of these installations are of the fully automatic type.

The occupants of these homes give no more thought to their heat than if they lived in an apartment whose heating plant was presided over by a super-efficient, super-conscientious janitor. And, of course, the cleanliness of gas heat is an advantage which only gas heat can give you.

The Surface Combustion Gas House Heating Machine abounds in such ingenious construction and so many practical improvements that many experienced heating engineers have remarked, "Why didn't some one think of it before?"

Fits In Any Furnace

Self-contained and compact, it can be slipped into your heating plant almost as easily as a drawer into a table. Everything is incorporated in this simple machine—even the automatic thermostatic control apparatus. The only other part is the room thermostat which naturally is placed in some convenient place, such as a living room wall.

$175.00 Cash Installed

Or $15.00 Down, 18 Months to Pay—$185.00 Installed

The installation usually requires less than a morning's time. Every point of the design tends toward combustion efficiency and the economical use of gas. Notice how the flaring metallic baffles are placed so that they divert the burner flame and entrap the heat to prevent heat losses up the chimney. See how the burners are placed low in the furnace to insure maximum use of the heating surface.

There are scores of other important points which you can see and appreciate only from an examination of the device itself.

For instance, the secondary air shut-off, which permits utilization of the stored-up heat when the burners are turned off, thus effecting a great saving in fuel. You will want to know about the safety pilot light, too; a device almost human in its cleverness. And there is a scientific new method of testing every installation to assure maximum burner efficiency.

Low Cost—Economical Too

The ease of installation of the Surface Combustion Gas House Heating Machine has made possible a very low price. Further than that gas heat automatically controlled is not expensive. It is inconceivable to most persons that so much comfort and satisfaction may be enjoyed for so moderate a cost.

Decide now to stop the dreary, dirty grind of furnace tending by installing one of these new outfits. Immediate delivery can be made, and you can be "all set" the first cold snap.

Our deferred payment plan makes it possible for you to install one for a small down payment—little more than the outlay required for an additional supply of fuel to run you during the rest of the heating season.

Cost estimates on heating your home with a Surface Combustion Gas House Heating Machine will be gladly furnished you without obligation. We believe you will find them unusually interesting.

Smith May Head New York Bank

Reports That Defeated Candidate May Turn To Banking

RUMOR RASKOB ALSO TO BE IN CONCERN

By JAMES L. KILGALLEN
International News Service Staff Correspondent

NEW YORK, Nov. 8.—Governor Al Smith, who says he is "through with public life" and "going to work," may become a banker.

The financial district buzzed today with a report that he will soon receive the offer of the chairmanship of the directors of the newly projected $55,000,000 Wall Street bank. The name of William F. Kenny, millionaire contractor and boyhood friend of the governor, is mentioned as a probable director of the new bank.

John J. Raskob, who resigned as chairman of the finance committee of General Motors Corporation to direct Al Smith's campaign for the presidency, was reported on August 16 to be the founder of the bank but this Raskob denied. There has been intimation in Wall Street since then, however, that he would be connected with it.

Smith would make a good banker, his friends say, pointing to his flair for figures. He has had the directing hand in the expenditures of as high as from $200,000,000 to $250,000,000 a year in the state's public business.

THIRTY-FIVE HUNDRED ARTICLES OF CLOTHING AT INGATHERING

(Continued From Page One)

room resembles a department store featuring women's and children's clothing. Not an article is second hand, all of them are new, and many of them represent hours of patience and skill upon the part of some member. Among such personal donations are several pairs of woolen hose, made by Mrs. E. A. Donnan, a former resident of New Castle who is now the Honorary President of the branch. Mrs. Donnan now lives with her daughter, Mrs. W. Miller Wardrop, of Wilmington, Del., but her interest in New Castle is as keen as it always was.

The Ingathering should be seen by thousands of New Castle people. The Needlework Guild is a truly altruistic organization for to be a member of it means that one must contribute articles of clothing to aid those less fortunate.

On Friday the clothing will be distributed to the organizations for which it is intended. Among such organizations will be the Almira Home, Associated Charities, Children's Aid Society, City Cupboard, City Rescue Mission, Deaconess Home, Margaret Henry Home, Mother's Assistance Fund, New Castle Hospital, Shenango Valley Hospital, Rhodes Mission, Salvation Army, St. Vincent de Paul and in addition some clothing will be distributed to private cases where need is found.

Splendid Organization

The Ingathering shows several things. First of all, that here in New Castle there are women who care for people whom fortune has treated less kindly. Second that they care enough to aid, and third that there is a very efficient organization work back of their charity.

The president of the New Castle Branch of the Needlework Guild of America is Mrs. James M. Smith. The vice presidents are Mrs. Marcus Feuchtwanger, Miss Florence Henderson, Mrs. John G. Nothdurft, Mrs. Howard Magill. The secretary is Miss Marion Wallace, and the Assistant Secretary, Miss Elizabeth Reis. Mrs. W. H. Hanger is the treasurer.

The section presidents follow. Mrs. A. C. Hoyt, Mrs. J. C. Norris, Mrs. Gordon Klein, Miss Mabel McCandless, Mrs. J. G. Nothdurft, Mrs. J. C. Raney, Mrs. M. H. Henderson, Mrs. Charles T. Bradford Man Is Severely Injured In Machine Crash

(International News Service)

BRADFORD, Pa., Nov. 8.—Ralston Read, Bradford, is not expected to recover, according to reports today from the hospital where he is confined at Lackawanna, N. Y., he is suffering from a fractured skull, and body injuries, received in an auto accident while returning from a college football game.

Read's brother, J. Benedict Read, and Frederick Sica, also injured in the accident, have been discharged from the hospital after treatment for minor injuries. The Reads and Sica were returning Tuesday night from Buffalo, N. Y., where they had witnessed the St. Bonaventure—Canisius football game, when the accident occurred.

Heflin Charges Fraud In Count Of Alabama Vote

(International News Service)

BIRMINGHAM, Ala., Nov. 8.—The cry of fraud in counting election votes in the state was raised today by Senator Heflin (D) of Alabama, foe of Gov. Al. Smith.

Unofficial returns gave Smith a lead of 14,000 over Herbert Hoover.

"Hoover should have a majority in Alabama of 20,000," said Heflin.

He charged specifically 800 anti-Smith votes had been "thrown out" in Montgomery county.

(International News Service)

ALTOONA, Pa., Nov. 8.—Struck by a U. S. mail truck, Harry Hetrick, 59, Altoona, was killed instantly here today while he was enroute to work. Hetrick suffered fractures of the skull and both legs. Fred Kirkham, driver of the mail truck, was held for the coroner.

REMOVE CONTENTS OF CORNERSTONE FROM OLD CHURCH

(Continued From Page One)

a copy of the current city directory for the year of 1901 and with it a copy of the church Bible song book. Both bore the name of George Hartman.

In addition to this, there was a copy of the New Castle News, dated August 6, 1901, and copies of the New Castle Tribune, New Castle Herald, New Castle Democrat and United Presbyterian bearing similar date lines. The papers were in good condition and the print easy to read.

A picture of the old church which stood on the site of the church burned last January and various colored pictures in a small booklet had also been deposited.

A copy of The Midland, bearing the picture of Robert Audley Brown, pastor of the church, on the front page was also found in the box. There was, in addition, pictures of Dr. and Mrs. R. A. Brown, James Kissick and Rev. John N. Bain in the box.

A copy of minutes of the church business and officers and committees of the church were written in a small booklet. There was in this same booklet a complete roll of the church members.

A duplicate copy of the application for a charter for the church was enclosed and bore the signatures of John Blevins, James A. Gardner, George Hartman, William McBurney, James R. Stritmater and Malcom McConnell.

In the written history of the church since 1849, much detail concerning the founding and doings of the church was written. On May 1, 1901, workmen started to move the old church and on June 13, ground was broken for the edifice which was burned recently.

The old contents of this old box will probably be enclosed in the cornerstone of the United Presbyterian church under construction along with added contents which will be placed depicting the life of the church since 1901.

Wednesday afternoon, following the weakening of the base of the standing tower by removing bricks, and by the uses of cables, and jacks, the huge tower was partially pulled over. A second attempt had to be made to bring down the remaining small portion which did not fall.

It required approximately a day and a half of labor on the part of three men to get the tower down and the cornerstone contents removed.

TWO BOND ISSUES APPROVED

WASHINGTON HIGH GETS SILVERWARE FOR MODEL ROOM

George Washington Junior high school authorities announced this morning that they are in receipt of a 79-piece set of beautiful silverware from Jack Gerson, local jeweler, for use in the school's recently opened model dining room.

Each piece of ware is distinctively marked with the words "George Washington Junior High School," it is said. A like set with the words of the different school buildings have been presented to the Benjamin Franklin Junior high school, the Senior high school and the model room at the Mahoningtown school.

Start Recounting Baltimore Ballots In Congress Fight

Present Congressional Incumbent Fails To Believe Democrat Won

(International News Service)

BALTIMORE, Nov. 8.—At the request of ex-Rep. John Phillip Hill Republican, the board of supervisors of elections today started a recount of the vote in the third congressional district in which Rep. Palmisano, Democrat, was re-elected over Hill by an unofficial majority of 328 votes.

Hill Charges there were several precincts in which he was recorded with no votes.

The total vote in the district was $54,630 and the recount may not be completed until Saturday.

Wampum Churches Assist Red Cross

A contribution of $29.28 has just been received from the Presbyterian and Methodist churches of Wampum for the American Red Cross West Indies-Florida hurricane relief fund, just drawing to a close, according to P. J. Dempsey, in charge of the Lawrence county chapter.

The quota of the local chapter sent to Washington, D. C., now stands at $2,198.37.

RAILROAD OFFICER REPORTS THEFT

Lieutenant of Police Harry of the Pittsburgh & Lake Erie railroad called the police authorities of this city about 1:30 o'clock this morning and informed them that a man named John Scott of Midway, Pa., an employe of the railroad, had last night stolen clothing and other property of John Myleorati, clerk of the commissary of the company. Among the articles taken were a combination suitcase, a diamond stickpin, a man's diamond ring and other things of value.

LEADCLAD

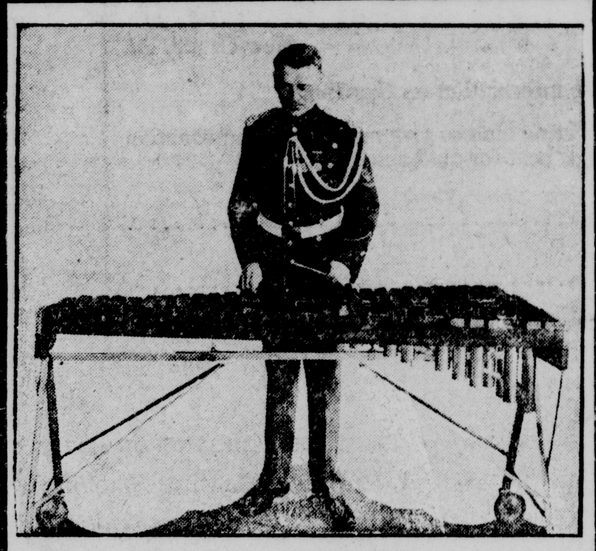

Leadclad Fence and Roofing is sold by leading dealers in every community. If your dealer cannot supply you, write us and we will tell you where you can get it.

A roof or fence is only as good as its coating!

When the coating disappears...get ready to buy new roofing or fence. The metal CAN'T last after this protective metal is worn away. That's why Leadclad has a thick coating of PURE LEAD. This coating is seven times heavier and three times thicker than the zinc coating on ordinary galvanized roofing—that's why it lasts years longer. Leadclad saves you the price of two roofs or fences.

Brings Suit For $665.74 Bill For Room And Board

Albert G. Stevens Files Suit Against His Step-Son, John A. Fenton

Albert G. Stevens has filed a suit at the Lawrence county prothonotary's office against John A. Fenton for $665.74 alleged to be due for board and lodgings. Fenton is a son of Mrs. Stevens by a former marriage. On November 15, 1927 it is alleged that Fenton came to live at the Stevens home. Stevens says that he afterwards told Fenton that he would be charged $10 per week. On August 24, 1928 Fenton owed $105.74.

Prior to August 24, 1928 Stevens says that he notified Fenton that his presence was no longer desired and that if he stayed on after that date his board and lodging would cost him $200 per month.

Fenton stayed and to November 5 it is claimed that he owed for 2 and 2-5th months or $560 which with the balance owed on the $10 a week makes $665.74 the amount asked in the suit.

Examine Titles To Land That Will Be Acquired By State

(International News Service)

HARRISBURG, Nov. 8.—Titles for 29,000 acres are being examined prior to acquisition by the state game commission, it was announced today.

The commission intends to acquire a 22,000 acres tract in Sullivan county alone at the headwaters of Loyalsock creek. Another tract to be added to the commission's holdings is 7,000 acres in Fayette county. The land is east of Uniontown and the headwaters of Dunbar creek.

New York Woman Attacked In Home By Armed Bandits

(International News Service)

NEW YORK, Nov. 8.—Two armed bandits today tortured and knocked unconscious a wealthy woman whose apartment they entered by a ruse to steal her jewelry.

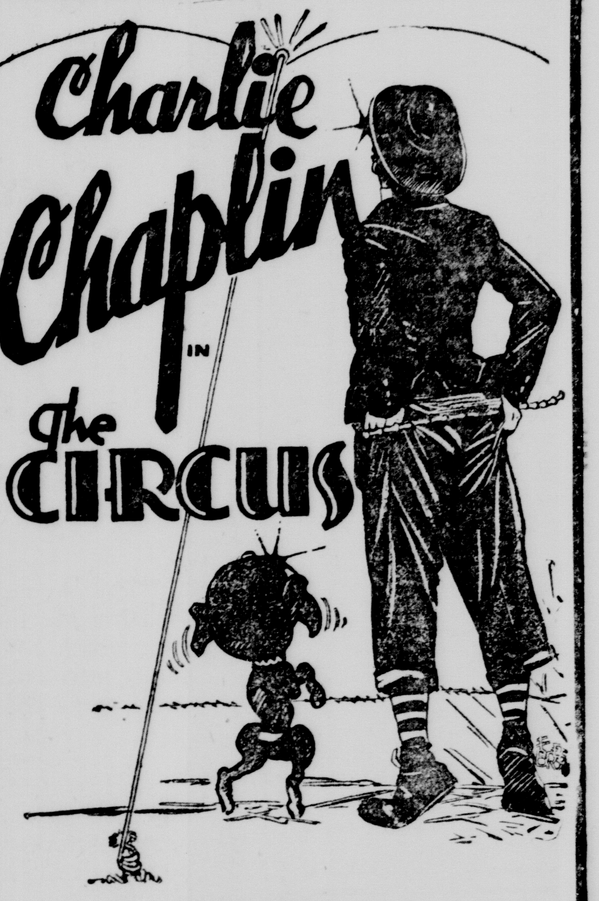

The victim was Mrs. Jennie Kobrinetz, 31, wife of one of New York's wealthiest garment manufacturers. She lapsed into unconsciousness after one of the bandits hit her on the head with his revolver. Police believe chloroform also was used.

The bandits fled without the jewelry which had been removed from the apartment.

Times change. A stocking run once suggested the word "darn" instead of the equally short and uglier one.

Can't Mop Kitchen, Gas Presses Heart

"When I mopped my kitchen I was all in, stomach gas pressed so on my heart. Adlerika ended the gas and I can work fine now."—Mrs. C. Thompson.

Adlerika, a simple glycerin, buckthorn bark, saline compound, acts on BOTH upper and lower bowel and brings out foul matter you would never believe was in your system. This old matter may have poisoned you for months and caused GAS, sour stomach, headache or nervousness.

Try this simple proof: Take any medicine which acts on lower bowel only—most laxatives do. After your bowels have moved, take Adlerika and in a short time you will be astonished at how much MORE sour, old matter and GAS is brought out!

Dr. H. L. Shoub, New York, reports: "In addition to intestinal cleansing, Adlerika checks the growth of intestinal bacteria."

Dr. J. Weaver: "In my 50 years' practice, I have found nothing to excel Adlerika."

J. E. Puckett: "After using Adlerika I feel better than for 20 years. Awful impurities were eliminated."

Give your stomach and bowels a REAL cleansing with Adlerika and see how good you feel! Just ONE spoonful relieves GAS and chronic constipation. At leading druggists. Send for FREE checkerboard. ADLERIKA, Dept. D-143, St. Paul, Minn.

State Leading In Slate Production

Pennsylvania Produces More Slate Than Any Other State In Union

By ARTHUR C. WIMER
Special Washington News Correspondent

WASHINGTON, D. C., Nov. 8.—Pennsylvania is the largest producer of slate in the country, and also produces a greater variety of slate products than any other state, although Maine and Vermont both outrank it in the output of electrical slate, according to the United States department of commerce.

Lehigh, Northampton, Lancaster, York and Berks counties are the chief slate-producing fields of the state. These counties produce roofing slate and mill stock, and some of them also produce roofing granules and slate flour, according to the commerce department.

The colored slates used for roofing come from Vermont and New York, the colors coming in wide varieties.

Rheumatic Pains Go Swollen Joints Vanish

If So Crippled You Can Hardly Use Arms Or Legs Let Rheuma Bring You Quick Relief

Thousands of sufferers have freed themselves from the bondage of rheumatism; rid themselves of the torturing pain; reduced the swollen joints; thrown away canes and crutches, and from helpless beings became able to work and be of use to themselves and families.

They took Rheuma; the enemy of rheumatism, lumbago, sciatica, gout and neuralgia.

Rheuma forces the dangerous poisons out of the system in the natural way—that's the secret of its success.

It matters not whether you are tortured with pain, suffering with sore, inflammed joints or distressed with occasional twinges, Rheuma is sold by McKee's Kut Rate Store, Eckerd's of New Castle, Inc., and all good druggists with guarantee that it will end all rheumatic suffering or money back.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pangs of colic, or constipation, or diarrhea; effective, too, for older children. Twenty-five million bottles were bought last year.

Assistant Cashier Of North York Bank Held In Slight Defalcation

(International News Service)

YORK, Pa. Nov. 8.—J. J. Blankenstein, assistant cashier of the North York State bank here was arrested Wednesday on a charge of embezzlement. The alleged defalcations were announced as slightly less than $2000.

Blankenstein's arrest occurred when Harry Z. Lezig, federal reserve bank inspector, filed information against the assistant cashier after the records of the bank had disclosed a shortage. Lezig was aided in the work of inspecting the records of the bank by Russell B. Carmany state bank examiner.

Lezig in filing the information said that Blankenstein had apparently been appropriating small amounts from the bank during the last two years.

Twelve Killed In Hunting Accidents

HARRISBURG, Nov. 8.—With reports of 12 persons killed in hunting accidents already throughout the state, John B. Truman, executive secretary of the state game commission, issued an appeal today to hunters for increased care while in the woods.

"The board of game commissioners is more interested in conserving human lives than protecting game," Truman said in a statement in which he also stated 71 hunters have been wounded by gunshot since the opening of the season. Five of those killed were under 21 years old.

Will Open Pool At Junior High

Arranging For Night Swimming Classes At Washington

Announcement is made that the new George Washington junior high school swimming pool will be opened within a few days and that classes will be started by Emmett Gillaspie, director of Washington athletics, just as soon as arrangements for these have been made. Evening classes for the public are being formed by Mr. Gillaspie now.

Arrangements for the use of the pool have been received from numerous individuals and organizations within the past few days. All arrangements must be made by the director of the pool, who can be found by calling the George Washington school.

According to Mr. Gillaspie, both Wednesday and Friday evenings have been taken to date, but Monday, Tuesday and Friday night still remain open and arrangements for the use of the pool on these nights can be made at once.

Director Gillaspie will have complete charge of the pool and the swimming classes. He is one who will be well qualified for the position for during the past two years as athletic director of the Juniata Y. M. C. A. as a life guard with considerable experience and as a champion in the South Mountain district swimming meet, Gillaspie has gained a wide knowledge and training in this subject.

A swimming class must have at least 30 persons enrolled. Any individual desiring to join and who does not belong to any club, is asked to call the Euclid avenue building where arrangements for them will be made. A slight charge is made for the use of the pool in order to cover expenses and re-pay Gillaspie for his services. These can be had by calling the school.

During the daytime students at Gearge Washington will be given lessons in the natatorium. Miss Gertrude Gillespie, directors of girls' athletics, and Mr. Gillaspie, boys' coach, will conduct the daily activities of the pool.

Brooks Reported At Bettis Field

Changed His Plans And Did Not Fly To Orlando; Safe, Crowl Says

Bob Brooks, local flyer, reported missing yesterday morning and whom Charles Crowl stated might possibly have been in the plane reported to have gone down in the mountains southeast of Uniontown, Pa., is safe, according to Crowl and 'Jim' Bradford.

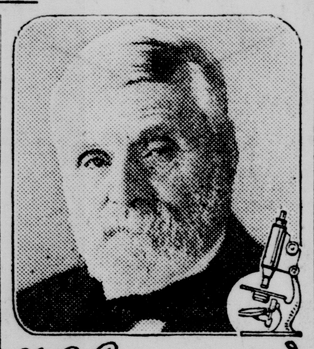

According to the flyers instead of flying to Washington, D. C., enroute to Washington, he flew to Bettis field, Pittsburgh, where he was in the air Wednesday afternoon.

According to Crowl, Brooks was to have left for Orlando and when he laid out the airway course he said he proposed flying over the section where a plane is reported to have dropped.

His intention, time of departure and other circumstances gave Crowl the belief that it might have been Brooks and accordingly he started search for his companion.

Bradford and Crowl yesterday talked to Bettis Field officials and they said that the young flyer was safe. Brooks, it is said, changed his mind about flying to Florida.

Dr. Caldwell's 3 Rules Keep You Healthy

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time regardless of how much one tries to avoid it. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the most delicate system and is not a habit forming preparation. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written us to that effect.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their systems. In a practice of 47 years he never saw any reason for their use when a medicine like Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently, without griping and harm to the system.

Keep free from constipation! It robs your strength, hardens your arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope, but go to a druggist and get one of the generous bottles of Syrup Pepsin. Take the proper dose that night and by morning you will feel like a different person.

Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just use special coupon below:

Stomach and Kidney Troubles Yield to Amazing Powers of Konjola; Highly Indorses New Remedy.

MRS. LAURA EMERY

That Konjola is a medicine of real merit has been conclusively proven by the countless numbers of voluntary testimonials from people of this city and nearby towns who have been relieved of various health troubles through the use of this medicine. Hundreds of testimonials have been received by the Konjola Man at the Love and Megown Drug Store, 204 East Washington Street, this city, where he is daily meeting the public and introducing and explaining the merits of Konjola. One of the latest to indorse Konjola is Mrs. Laura Emery, 1116 Croton avenue, New Castle, who made the following statement:

"Konjola has proven itself to be a medicine of exceptional merit and value in my case", said Mrs. Emery, "It has restored my health and now I am going to indorse it every chance I get.

"My stomach was always bothering me and I don't believe I had eaten a meal in a long time without suffering intense misery afterward. Food always formed a heavy lump in the pit of my stomach that was very uncomfortable. Then it would ferment and cause quantities of gas to form that bloated me so much I had a hard time breathing. Due to the disordered condition of my kidneys I was subject to severe pains in the small of my back that made it impossible for me to bend over. My bladder acted so frequently that my sleep was always being disturbed. I really did not think that I would be able to stand such suffering much longer. Quite often attacks of biliousness often came over me and certainly made matters worse. Headaches and dizzy spells also seemed a part of my life. You can see that I was in a terrible shape.

"But all that is ended now and I am once more in the best of health. I owe it all to Konjola and think that every sufferer should give this medicine a trial and I am sure they would gain the same relief that I did. My stomach is in perfect condition and I am eating whatever is placed before me without suffering from one of the former ugly symptoms. The gas bloating, fermentation and pains are all ended. Konjola did this for me in a very few days and yet I feel the relief is permanent. My kidneys are also much stronger and never cause me to rise during the night. My back is free of pains and I can get around and do whatever I please without suffering the least bit. The spells of biliousness vanished some time ago and have never returned. Konjola also ended the dizzy attacks and headaches. In every way I have been benefited".

The Konjola Man is at the Love and Megown Drug Store, 204 East Washington street, New Castle, where he is daily meeting the public and introducing and explaining the merits of this medicine.

Konjola contains juices from 22 plants—more than other medicines. It is a new compound that works with the sufferer's food, restoring more healthful action to the important organs (stomach, liver, kidneys and bowels) and producing new energy and glorious health in a natural way, thru the entire inner-system.

Save Nearly $3,000 In Public Schools

Highland Avenue Pupils Save Largest Average Amount Per Pupil

The month of October was one of the best months in school savings so far, there having been $2895.45 put in the automatic receiving tellers in the various schools of the city during this month.

The Highland avenue school had the largest average amount put in the automatic receiving teller per pupil, their average being 58c. The Arthur McGill school was second with an average of 51c per pupil, deposited in the teller, and the West Side school was third with an average of 43c per pupil. The Lawrence school was fourth with 39c per pupil; the Pollock avenue school was tied with Oak street school with 35c per pupil, and the Benjamin Franklin Jr. High school and the Lincoln & Garfield school were tied with 26c per pupil. This is an especially good record for both of these schools, especially for the Benjamin Franklin Jr. High school on account of it having the largest enrollment of any school reporting.

The North street school had an average of 25c per pupil; the Thaddeus Stevens an average of 24c; the W. N. Aiken school an average of 22c; the Rose avenue and Croton avenue schools were tied with averages of 16c per pupil; the George Washington Jr. High school had an average of 15c per pupil; the Mahoning school and Terrace avenue school were tied with averages of 12c per pupil.

In the schools outside of New Castle, the Shenango Consolidated school had a total amount deposited in the automatic receiving teller of $178.39. The Union township school did practically as well, since it has a smaller enrollment, as the students deposited in the teller $139.34, and the North Beaver Consolidated school had a total amount deposited in the teller of $64.64.

The following are the amounts deposited in the automatic receiving tellers by the various schools:

The Benjamin Franklin Jr. High school, $393.09; Lincoln & Carfield school, $279.40; Highland avenue school, $251.11; Arthur McGill school, $234.68; Oak street school, $198.73; West Side school, $190.07; Pollock avenue school, $187.33; Thaddeus Stevens school, $114.27; Gtorge Washington Jr. High school, 110.74; Mahoning school, $108.88; North street school, $99.94; Rose avenue school, $91.35; Croton avenue school, $76.57; Aiken school, $73.65; Lawrence school, $61.36, and the Terrace avenue school, $41.91.

CATARRH

Insists His Discovery Opens Up Catarrh Stuffed Nostrils In Three Minutes - Sometimes Less

Advises All Catarrh Victims to Throw Away Stomach Medicines. End Loathsome Catarrh with Opex and Get Rid of Disgusting Mucus Forever.

30 Days Free Trial Says McKee's Kut Rate Store

Catarrh, one of the most loathsome of diseases, is caused by germs—wicked, vicious, persistent pests that multiply rapidly and by digging into and devouring the tender membrane cause soreness, swelling, inflammation and mucous discharges.

A few years ago, Catarrh was considered incurable, because no one was clever enough to get together a formula that would spread over the membranes of the nasal tract a purifying substance in which catarrh germs could not exist.

But Opex changed all that and now all you have to do to get rid of catarrh is to spray on Opex and send the germs to eternity.

Just note the picture showing how Opex puts catarrh out of business. See the steam-like smoke going in one nostril and out the other.

When you use Opex you see the healing, purifying vapor as fine as smoke coming thru the nostrils—and it will come thru no matter how stuffed up they are.

That's the way to end catarrh and to lessen those annoying, ringing, buzzing noises in the ears. Many people say it is the only way.

The price of a bottle of Opex that will last two months is $1.00—it is easily worth one hundred dollars to any man or woman who wants clean healthy nostrils free from disgusting mucus.

Opex will end the most stubborn case of catarrh in a few days, because it soothes and heals the sore, inflamed membranes, reduces the swelling and purifies the entire nasal tract.

To make it easy for catarrh sufferers in this vicinity to secure a bottle of Opex and a specially constructed Opex atomizer, McKee's Kut Rate Store has agreed to keep a supply on hand at all times and will gladly show anyone how easy it is to get rid of disgusting catarrh at trifling cost.

Opex is for sale only at McKee's Kut Rate Store with the distinct understanding that if you are not satisfied at the end of 30 days your money will be gladly returned. Opex is delightful to use because of its wholesome fragrance. Mail orders promptly filled by McKee's Kut Rate Store.

Keep your nostrils as clean as your teeth.

What New York Papers Say Of Hoover's Victory

Excerpts from newspapers' editorial comment on the presidential election follow:

NEW YORK WORLD—The result is not what we wished it to be, but it is an undisputable result. Mr. Hoover was elected by a clear and unmistakable decision of a majority of the American people. The World salutes the winner.

To Gov. Smith we say that he can look backward upon this campaign with a good conscience. He has fought an honest, clean and candid battle for ideas which will surely prevail.

The American people love a brave man, and among public men Al Smith is the bravest of our time. He has lost the election, but he retires with his flags flying. It has been a privilege to fight with him on such a field.

* * *

NEW YORK SUN—Nobody knows better than Herbert Hoover the responsibility that has fallen on him. * * * Under President Coolidge the United States has viewed the phenomenon, rarer than Halley's comet, of increasing wages and decreasing commodity prices.

The size of Mr. Hoover's vote in manufacturing centers shows the relative satisfaction of the workers with things as they are.

The size of his vote in agricultural regions indicates the confidence of the farmers that he will give careful attention to the ills of which they complain.

Existing prosperity and progress elected Mr. Hoover. * * * Mr. Hoover * * takes over a going business. * * * The prime work of the next administration will not be so largely of restoration as of retention and progress.

* * *

NEW YORK EVENING POST—We had hoped that the election would be close for the sake of prohibition reform and for the sake of Gov. Smith himself. The Hoover sweep has answered our first hope in another way. But it has dealt so harshly with the governor as to make his friends and admirers fairly wince.

From the standpoint of courage and character he did not receive so humiliating an outcome. He made a gallant fight according to his lights. * * * But the task was too heavy for him. Upon his shoulders rested religious intolerance, Tammany, wetness New Yorkism. * * * Whatever the years may bring forth, Alfred E. Smith may always walk amongst us unafraid and unashamed.

* * *

BROOKLYN DAILY EAGLE—Mr. Hoover's victory is without parallel in our history and constitutes the most impressive expression of confidence ever bestowed by the American people upon a candidate for the presidency. * * * And he has dealt Gov. Smith what must be the severest blow of all in wresting from him his own state of New York.

Happily the result has been so decisive as to obliterate bitterness and remove causes of rancor.

* * *

NEW YORK EVENING WORLD—It is the Republican party's victory. For there will be few to deny that it is the party rather than the candidate that won. * * *

The country, as a whole, is not yet tolerant enough to forget a presidential candidate's religion, not yet liberal enough to take a straight, sane look at the present prohibition law, not yet convinced that it should hold a party responsible for corrupt administration, not yet conscientiously concerned about the fate of its great power resources.

* * *

NEW YORK TELEGRAM—A satisfactory conclusion has come to a none too inspiring presidential campaign. This applies to both candidates. Smith, whose four terms as governor of New York entitled him to high rank among American statesmen, lost on occasion his sense of proportion; he ventured promises beyond his power to keep; he floundered now and then in unfamiliar waters. * * *

In Hoover we expect to see a better president than he has been a candidate. We believe * * * that Hoover's allegiance will go where it always has been—to the liberal, the progressive side, the side of greatest service to the greatest number of the American people.

* * *

NEW YORK JOURNAL—Herbert Hoover won, which was inevitable. The Democrats could not expect to win and the wise Democrats did not expect to win in the face of the 7,000,000 Coolidge plurality and prosperity.

Gov. Smith knew that perfectly well, which is all the more to his credit in making so determined and exhausting a fight as he made for his party. * * * The "Solid South" has been broken. That of itself is not a bad thing for the Democratic party. Sectionalism, a feeling in the north that the Democrats would "have the south anyhow," has undoubtedly been a bad thing for Democratic chances.

Almost 1300 Attend Consistory Dinner

Entertainment Committee Gives Program; Guests Hear Election Returns

The Consistory Dinner club scored another big success Tuesday evening when nearly 1300 guests were entertained at dinner at The Cathedral dining room. It was one of the finest gatherings yet to be held by this organization, and the committee in charge of the affair deserves much credit for the way in which they did their work.

The crowd, by far the largest ever to attend one of these dinner events, was more than pleased with the dinner and entertainment afterwards. While a great many of those present were from New Castle, there were large delegations from Franklin, Oil City, Greensburg, Butler, the Beaver Valley, Sharon, Greenville and Carnegie, with other places in this vicinity well represented. The dinner took place at seven o'clock sharp. Much credit is also due to Mrs. Roy Long and her able corps of assistants for the prompt manner in which the dinner was served.

During the evening an excellent program was carried out by the entertainment committee headed by John G. Jones as chairman. The Amphion quartette was well received and was followed by Henry and Edward Gibson with mandolin and guitar. Cornet solos by James Remley accompanied by Miss Audrey Baker were also enjoyed by the guests. Miss Baker also gave a tap dance, and as she is quite an expert, she took the crowd by storm. Trombone solos by Albert Jenkins were well received. He was accompanied by Miss Nedra Baker.

During the evening election returns were received and flashed on the screen. Rex Patch was in charge of this work. One of the features of the dance, which lasted until after one o'clock was pep singing led by Red Williams, who was accompanied by Dr. C. C. Dickey.

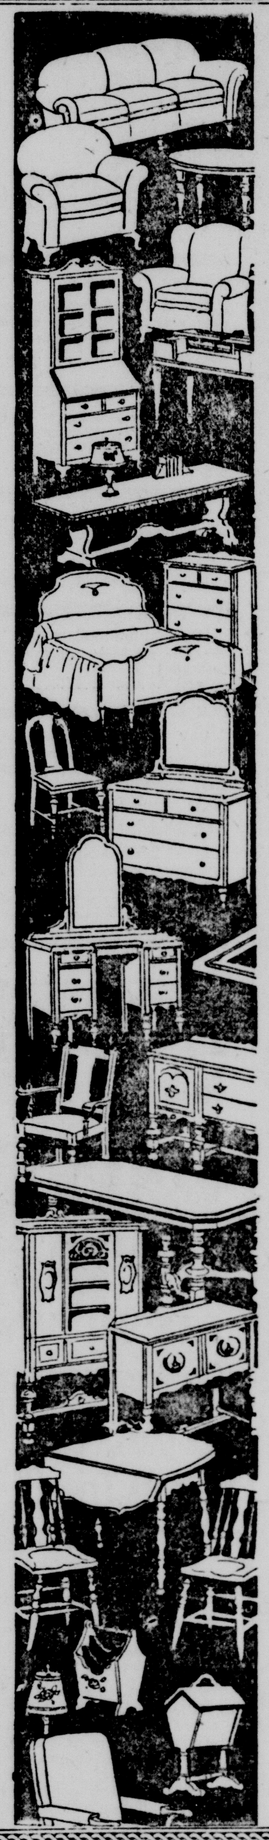

The next dinner to be sponsored by the club will take place Friday, evening, November 23.

All the states in chorus: "Don't settle down here to become like the others, young man; go where you can climb and be somebody."

Mrs. Alec Wilson returned to the home of her daughter, Mrs. Mildred Eakin, after spending some time with friends in Emlenton.

Mr. and Mrs. George Kummer and Miss Geraldine Gibson of Butler were dinner guests of Mr. and Mrs. Charles Gerlach Sunday.

Because the next meeting of the Parent-Teachers' Association falls on Armistice Day, the meeting will be held Monday evening, Nov. 19.

John Brydon, who recently disposed of his filling station on the Slippery Rock-Butler road, has purchased the McGonigle property just outside the borough limits on the Harrisville road.

Mrs. O. H. Muntz of Greenville was an overnight guest of Mr. and Mrs. S. G. Morrison. She was in town to attend the funeral of Mrs. Maria Patton.

Mr. and Mrs. Harley Borner and son of Mt. Lebanon were guests of Mrs. Mildred Eakin last Thursday. Mrs. Alec Wilson, who has been spending some time with her daughter, returned home with them.

Funeral services for Mrs. Maria Patton, who died at the home of her son, E. T. M. Patton, of Pittsburgh, were held at the United Presbyterian church last Thursday. Mrs. Patton had been a resident of Slippery Rock all her life and had been a charter member of the United Presbyterian Sunday school. Interment was made in the Slippery Rock cemetery.

Since the beginning of the school savings system in the local schools the eighth grade has led in the number of depositors. They have 100 per cent depositing, 13 depositing in the Citizens' bank and 14 depositing in the First National bank. They will be given pins to wear as soon as they arrive. The kindergarten has second honors, all but one in the class depositing.

Slippery Rock Training School was closed Monday, Nov. 5, but will hold an all-day session Saturday, Nov. 10, instead. This plan will be carried out six times during the school year, the Saturday sessions being used for demonstration purposes for the benefit of the teachers now employed. This plan has been approved by the local board of education and attendance at the Saturday sessions will be compulsory.

Miss Effie Pearson, who resigned her office as secretary of the local W. C. T. U. at the last election of officers, was guest of honor at a well attended meeting at the home of Mrs. J. F. Allison Thursday. Miss Pearson has held the office of secretary for 31 years, and during this period has been absent very few times. Members of the Union as a reward for her faithfulness presented Miss Pearson with a memorandum book and fountain pen and a cake lighted by 31 candles.

Paris Movies Show "Tiger" In Films

(International News Service)

PARIS, Nov 8.—Monsieur Georges Clemenceau, France's "Grand Old Man", turned movie artist for a few days last summer when taking his usual vacation at his summer home in the Vendee region. Now the Paris cinemas are showing a series of simple scenes in the life of the lively French statesman, 87 years young.

One wonders what words of persuasion must have been used to induce the man who has always fought so shy of publicity to submit to the wiles of the cameraman. The picture shows him passing his days in quiet among the flowers in his garden and with his pet dog; taking tea with friends and strolling down by the sea which roars up to his very front door.

ELLWOOD HIGH FACES ANOTHER VALLEY TEAM

New Brighton Coming Here Saturday For Contest With Local Gridders

ELLWOOD CITY, Nov. 8.—Saturday afternoon on the local field, another valley team will face the Ellwood City high gridders when they clash with New Brighton at 3 o'clock.

"Peck" Lee and his blue and white warriors fave another strong foe following a scoreless deadlock with Harding high of Aliquippa last Saturday. New Brighton also tied with Coach Lippe's aggregation. From this one can hardly predict an easy win for the Tubers.

On the other hand Lee's men won from Grove City by a 14-7 score while New Brighton was defeated 24-0 by the same eleven. Beaver deadlocked with Aliquippa and lost an 18-7 decision to New Brighton.

Taking the dope from all angles, a good contest is anticipated this Saturday. Lee is rounding his men into the best shape possible for the battle and the squad is expected to be in good condition. Duncan and Lawrence have both reported for practice again but Chuck Turner has not, so it is doubtful if any of these three will start the game. Frank Barile may replace Turner at the end position.

Dyson, brilliant fullback of the New Brighton team, will have to be watched closely by the blue and whites. This lad has been playing a good game throughout the season and will do his best to secure a victory for his mates. This contest is the second of the four games to be played at home by the Ellwood City high.

Rev. Stevenson To Talk At Banquet

Annual Fathers And Sons Banquet At Slippery Rock Church Event Of This Evening

ELLWOOD CITY, Nov. 8.—At the annual Fathers and Sons banquet which takes place this evening in the Slippery Rock church, Rev. A. M. Stevenson of the First Presbyterian church will be the speaker.

J. M. Houk will act as toastmaster. The toast to the sons will be given by Charles Wilson. Toast to the fathers by Jack Mentzer. The balance of the program will be conducted in the auditorium and will proceed as follows:

Violin solo—John Weingartner.

Recitation—Samuel Elliott.

Cornet duet—Clyde Harper, Dick Wilson.

Trio—Misses Louise and Martha Stelle, Kathleen Rabberman.

Piano duet—Misses Louise, Isabel Steele.

Members of the Friendship Circle class taught by Mr. Houk will serve the banquet. All men of the community are invited and all boys over 12 will be welcome.

When Fate Dealt the Cards

A "busted" royal flush was the last hand that Fate dealt to Arnold Rothstein, suave little king of the gamblers. The above poker hand symbolizes his colorful life: Ace of Diamonds, Rothstein got his first "break" in a poker game with Charlie Gates, the $40,000 he won starting him on the road to fortune; King of Diamonds, luck was consistent and Rothstein bought apartment houses and hotels right and left; Queen of Diamonds, he was happily married, shielding his wife from publicity of his profession; Jack of Diamonds, a royal flush seemed about to be his, and Rothstein pushed in all of his chips; Deuce of Spades, and the last card he got was death by an enemy's bullet.

Ladies Enjoy An All Day Meeting

ELLWOOD CITY, Nov. 8.—A large number of members of the Ladies Aid enjoyed an all-day meeting in the Slippery Rock church yesterday with a tureen dinner at noon. A business meeting was conducted and the members plan to combine with the members of the Woman's Missionary society for winter meetings the first Wednesday of each month.

In December there will be a Christmas party with an exchange of gifts.

Men's Club Conducts Prayer Meeting

ELLWOOD CITY, Nov. 8.—Members of the Men's club of the Slippery Rock church conducted the prayer service Wednesday evening in the church.

President of the club, J. M. Houk presided and all the members took various parts in the service. The general tone of the meeting was rejoicing over the outcome of Tuesday's election.

OFFICERS-TEACHERS PLAN WINTER WORK

ELLWOOD CITY, Nov. 8.—Officers and teachers of the primary and beginners departments of the First Presbyterian church Sunday school met Wednesday evening for a tureen dinner meeting. Mrs. J. M. Barton who is superintendent of these departments conducted the meeting and plans were made for winter activities in the Sunday school. A delicious menu was served.

COMMITTEE HEADS OF COUNTRY CLUB TO MEET

ELLWOOD CITY, Nov. 8.—Friday evening various committee heads of the 1928-29 season of the Ellwood Country club will meet in the club house to plan for winter activities. B. J. Bell chairman of the Men's Entertainment committee will present his plans for approval at this time.

Visitors Day Award Goes To North Side School Building

An Award For Record Attendance Of Visitors Will Be Presented To North Side

ELLWOOD CITY, Nov. 8.—For the second time the North Side grade school has won the award offered by the Parent-Teachers association for the highest number of visitors on official visiting day. This event took place Tuesday and was known as "Know Your Schools Day", in connection with national education week being observed here.

Miss Stonesifer's room had the largest number of adult visitors so the award will be kept in her room. Last year Miss Anderson's room won the award. Hundreds of adults visited the school and saw actual class-room work performed. A total of 733 persons visited the schools Tuesday. This, of course, was less than last year, but considering the fact that it was election day the number is believed to be good.

LADIES AID.

ELLWOOD CITY, Nov. 8.—Members of the Ladies Aid society of the Methodist church will enjoy a meeting this evening at the home of Mrs. Myrtle Osborne of Fourth street. At this time Mrs. Jennie Harper will be associate hostess.

LADIES G. A. R.

ELLWOOD CITY, Nov. 8.—Ladies of the G. A. R. will conduct a semi-monthly meeting Friday afternoon at 2:30 in the Pythian hall. Special business will be transacted at this time.

MORAVIA STOP

Miss Blanche Rennick of Slippery Rock, visited with her sister, Sara, over the week-end.

Miss Leale Natcher entertained a number of friends at her home at Baldwin Stop Monday evening.

Some time Monday night thieves entered the home of Earl Shoaf and made off with almost a hundred dollars which Mr. Shoaff had placed in a desk. No clue has as yet been obtained which might lead to the arrest of the guilty parties. Part of the money stolen belonged to Mr. Shoaff and part of it to the insurance company by which he is employed. Some valuable papers were also taken and it is hoped the thieves will soon be arrested.

Quite a number of cases of scarlet fever have developed in the Shenango consolidated schools. Every effort is being made to check its spread.

Rose Segadi has been quite sick for a few days with tonsilitis.

Friends will be glad to learn that Mrs. Walter Smith, who has been confined to her bed for so many weeks, is again able to be about her home.

Misses Goldie Young, Dorothy and Phebe Sonntag visited Miss Margaret Long Tuesday evening.

The young people's conference of the Baptist church will be held at the Unity church at Harlansburg on Sunday, Nov. 11. There will be an afternoon and an evening session and it is hoped that there will be a good attendance.

The Parent and Teacher Association will hold their regular meeting Tuesday, Nov. 13, at 7:30 p. m. The entertainment will be in charge of the eighth grade, under the management of their teacher, Floyd Geiger. All friends of the schools are urged to be present.

Report Unusual Sight In Sky

Light Streak On Monday Night Resembled Hanging Sword

There are a number of persons at least in this city and vicinity who on Monday evening of this week saw in the skies one of the most unusual phenomenon seen in the skies of this district in some time.

Mrs. Hanna Covert of near Mt. Jackson, in North Beaver township, reports that on Monday evening possibly about 9:30 o'clock, her uncle called her out of the house to see the sight in the sky, to the northwest of their location in North Beaver township.

When she first looked up into the sky it looked like a streak of lightning but gradually it took the form and appearance of a sword, overhanging the earth beneath. She watched it for at least 15 minutes and during all that time it continued in that form. It was of a clear silvery appearance.

Mrs. Covert also states that it was seen by her nephew, Ralph Kirkwood, at his Clifton Flats residence. It was probably seen by others, although the persons mentioned are the only ones to date reporting that they had the pleasure of seeing this unusual sight.

Woman Succumbs To Severe Burns

(International News Service)

ALTOONA, Pa., Nov. 8.—When her night-clothes became ignited after she fainted and fell against a stove, Mrs. Jennie Corbin, 48, suffered burns about the face and body which resulted in her death today in a hospital here. She fainted, authorities said, when she arose from a bed, to which she was confined with illness, to get a glass of water.

Armed Guard On Duty As Trial Of Jaworski Proceeds

Brother Of Famous Bandit Being Tried As Jail Break Engineer

(International News Service)

PITTSBURGH, Nov. 8.—With the armed guard of 24 deputy sheriffs and county detectives still on patrol, the trial of Sam Jaworski began its second day today with the commonwealth still leading the assault for his conviction on charges of engineering the daring jail break in 1927 which resulted in the escape of his brother Paul, notorious desperado.

Paul, who has since been recaptured and sentenced to electrocution, is to be the ace in the defense attempt to prove Sam was not the one who brought guns to the county jail and helped Paul and another prisoner shoot their way to freedom. The other prisoner, John Vasbinder, has not yet been apprehended.

The case of the commonwealth is taking some time to present and as a result Paul may not be brought into the courtroom even today. The bandit, still suffering paralysis, will be carried in a chair across the "bridge of sighs" and into the courtroom. But he probably won't get there before late this afternoon and possibly before tomorrow, counsel at the trial say.

The armed squadron, however, patrolled the court building throughout today's session, to keep the courtroom clear of those not connected directly with the trial and to establish all precautions to prevent any attempt at freeing again the leader of the "Flathead gang".

Mulberry Street Residents Heard

Viewers Hear Property Owners Complaints About Street Grading

Testimony on the grading of Mulberry street is being taken today before viewers, Clarence Patterson, A. Clyde Shoaff and W. Leslie Brindle, at the court house today. A number of property owners have objected to the way the street was graded and are asking for damages to their properties. The principal object is that it is hard to get into their properties since the street was graded. A large number of witnesses are being called to give their ideas as to the amount of damages which properties have suffered.

Two Slightly Hurt In Auto Crash

Several Accidents Are Reported To City Police Authorities

Two persons were slightly injured Wednesday when the truck of William Thompson, baker, and Howard Robinson, 626 East Long avenue, came together at Sheridan avenue and Albert street. Mr. Robinson was enroute south on Albert street while the Thompson car was enroute east on Sheridan avenue. Mr. Thompson was injured also Mr. Robinson who sustained a cut on the hand.

Henry Mortimer of 1503 Huron avenue, reported Wednesday that he was enroute west on East Washington street when a car bearing Pennsylvania license X5.275 going in the same direction pulled out of a gas station and was making a right hand turn ran into and damaged the car of Mr. Mortimer.

Cars of John L. Herbold, 369½ East Washington street and L. W. Strayer, 141 Winter avenue came together last evening at North Mill and East Falls streets according to the report of the police authorities. Herbold was coming north at a speed of about 20 miles an hour while Mr. Strayer was coming out of East Falls street. Mr. Herbold turned his machine to the left to avoid a collision but did not do so soon enough. As it is both machines are damaged.

Believe Armistice Day Should Be One Of Celebration

(International News Service)

WASHINGTON, Nov. 8.—The American Legion today announced its program for the julilation celebration of Armistice Day this Sunday. It is the legion's idea that henceforth November 11 should be a day of celebration, leaving the services for the World war dead to Memorial day.

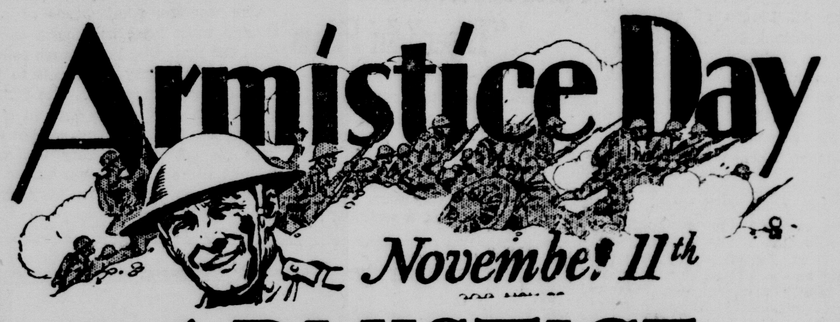

President Coolidge, General Pershing and National Commander Paul V. McNutt will lead the celebrants, speaking from Washington over a one-hour national radio hook-up Sunday night.

The program starts at 9:15 p. m., Eastern standard time.

If it prompts people to crack your head because you can't see it their way it is a great moral issue.

The Philippine Insurrection
Fighting South Of The Pasig, Feb. 5, 1899

THE FIGHTING SOUTH OF THE PASIG RIVER ON FEBRUARY 5, 1899, WAS OF A PARTICULARLY DESPERATE NATURE. CONFRONTING THE RIGHT OF THE AMERICAN LINE, WHICH WAS HELD BY THE 14TH INFANTRY AND NORTH DAKOTA VOLUNTEERS, THE FILIPINOS UNDER GEN. NOVIEL OCCUPIED THE STRONG SPANISH FORTIFICATIONS. AT 7:30 A. M. THE AMERICANS OPENED FIRE ALL ALONG THE LINE, WHILE FROM THE BAY THE MONITOR "MONADNOCK" POUNDED THE INSURGENT WORKS WITH HER BIG GUNS.

IN THE MORNING A BATTALION OF THE 14TH ADVANCED TO STORM BLOCKHOUSE FOURTEEN, BUT THE RESISTANCE OF THE FILIPINOS WAS SO STUBBORN AT THIS POINT THAT THE AMERICANS DID NOT CARRY THEIR OBJECTIVE UNTIL TWO O'CLOCK IN THE AFTERNOON.

FINALLY, A SMALL PARTY OF VOLUNTEERS LED BY LIEUTENANT MILES DISLODGED THE ENEMY FROM THE BLOCKHOUSE, AND A FLANKING MOVEMENT OF OVENSHINE'S BRIGADE DROVE THE INSURGENTS FROM THEIR TRENCHES.

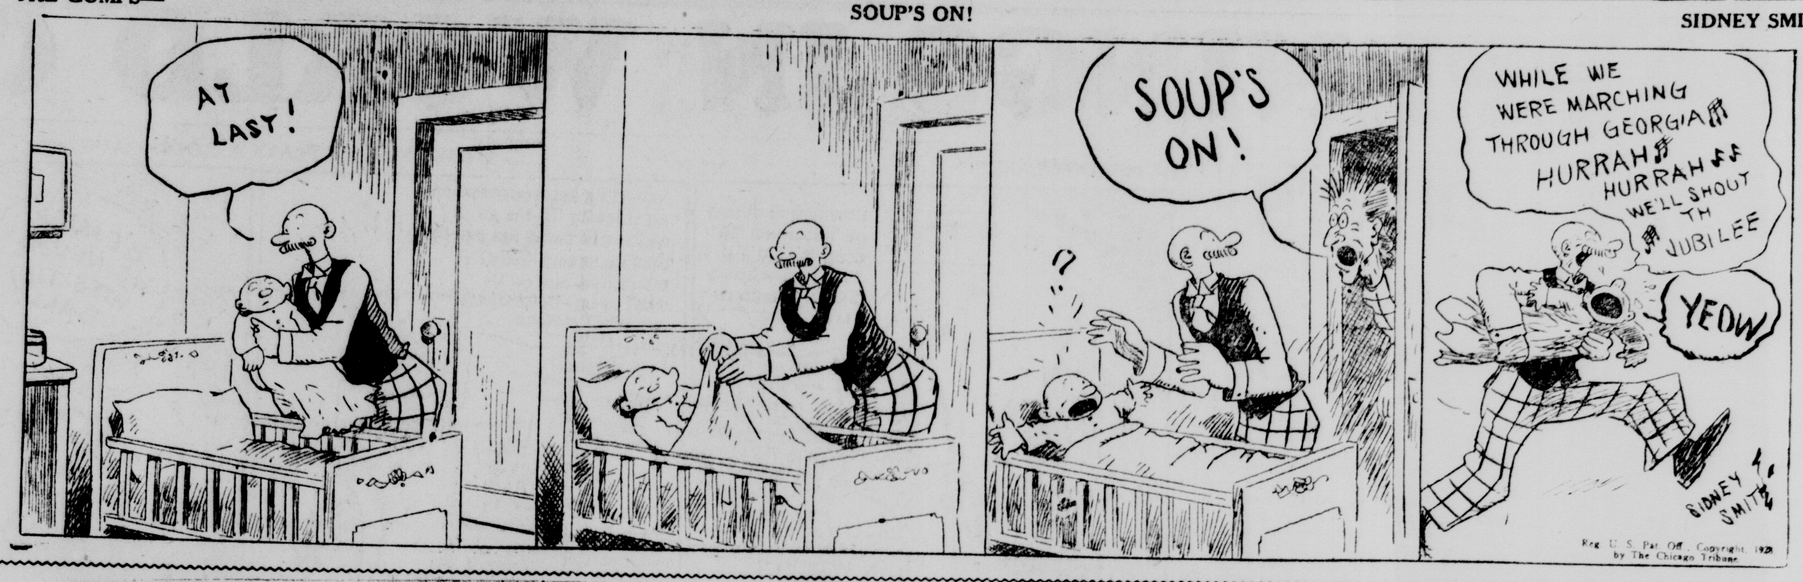

THE FILIPINOS RETREATED, LEAVING MANY DEAD AND WOUNDED BEHIND THEM. OVERSHINE'S MEN PUSHED ON AND ENTERED PASAY, A SUBURB OF MANILA, WITHOUT ENCOUNTERING FURTHER RESISTANCE.

Locals Crippled For Greensburg Game Saturday

Sillman, McIntosh, Ostrosky And Mooney Likely To Be Out Of Game

BERES TO PLAY GUARD, IS REPORT

Coach Philip H. Bridenbaugh has a real problem on hand for this Saturday. With four of his varsity players injured the New Castle coach is considerably worried over the chances of defeating Greensburg.

The outlook today at Senior High for a victory over the powerful Greensburg team on Saturday is most discouraging. Merle "Red" McIntosh, big fullback, is suffering with a bad ankle; Arthur Sillman, quarterback, has a sprained ankle; Angelo Mooney, the fighting guard, is laid up with a bad knee, and to top off the hospital list, Tony Ostrosky has a broken shoulder bone.

Beres at Guard

Bridenbaugh said today that Andy Beres would be stationed at left guard in the Greensburg game, replacing Nickie DiCarbo, who goes to the defensive halfback post. DiCarbo has been moved back and forth quite often this season and has served in capable manner both in the backfield and on the line.

With Sillman hobbling around on a bad ankle it is likely that Glenn Shaffer will get the assignment as quarterback Saturday, with the remainder of the backfield composed of DiCarbo, McAuley and Harper. Tony Fernati is also likely to get a chance to start the Greensburg game.

Either DiThomas or Waggoner will fill the end position in event Ostrosky is not able to play Saturday.

The Greensburg team is reputed to equal the locals in size and weight, and will no doubt give the Lawrence county crew a tough battle.

Revoke License Of Chicago Promoter

James C. Mullens, Noted Chicago Fight Promoter Loses License

(International News Service)

CHICAGO, Nov. 8.—James C. Mullen, prominent Chicago boxing promoter, today had his license revoked by the Illinois Athletic Commission for failure to pay his state tax within the time limit after a recent fight. Mullen was suspended indefinitely by the commission.

Friends of the promoter declare that failure to pay the tax was a mere oversight, the fight in question was the Shade-De Vos show at the Coliseum Nov. 2. It was a money-maker for Mullen, according to the promoter's spokesman.

The commission also ruled that Billy Showers, St. Paul middleweight, can not fight in Illinois again because of his physical condition. His license was permanently revoked. Showers was seriously injured in a bout here recently with Shuffle Callahan of Chicago.

PUNTS AND PASSES

(International News Service)

PITTSBURGH, Nov. 8.—Getting ready for their annual battle next Saturday with the traditional rival, Wash-Jeff, authorities at Pitt are reiterating to the Panther football squad the idea that W. & J. is not so weak as it seems to be this season. Coach Sutherland, pointing to the tie Wash-Jeff played with the strong Lafayette team, expects the Presidents to spring their strongest attack and best plays in an effort to win.

PITTSBURGH, Nov. 8.—A squad of 26 players will form the Carnegie Tech football varsity that will leave here this afternoon for Albany, N. Y., where they meet Georgetown in one of the nation's most important games Saturday. Both teams are unbeaten and untied. At Albany, Judge Wally Steffen, advisory coach, will come from Chicago to supervise the practice.

WEST POINT, N. Y., Nov. 8. — The Army's gridiron warriors will get their last home practice today for the Notre Dame game. Chris Cagle is all set to run wild against the Hoosiers. The scrubs couldn't stop him in yesterday's lengthy workout.

PHILADELPHIA, Nov. 8.—Walter Opekun, of Scranton, Pa., the smallest man on the Penn squad, apparently has clinched the fullback post for the Harvard game as the result of his good work against Chicago and in practice this week. The varsity squad of 36 players will entrain for Boston tonight.

CAMBRIDGE, Mass., Nov. 8.—Harvard is concentrating on stopping Penn's hidden ball plays, which baffled the Crimson last year. A team of ineligibles, using the "whose got it" plays, was unable to make much progress against the varsity in yesterday's practice.

ANNAPOLIS, Md., Nov. 8.—Defensive drill is featuring the Navy's preparation this week for the Michigan game. Yesterday's practice, in which the varsity was drilled in defense both against the running and passing attack, continued until long after the field was illuminated by powerful arc lights.

Johnny Evers In Managerial Role

Johnny Evers Likely To Be Bench Manager Of Boston Braves

(International News Service)

BOSTON, Nov. 8.—Johnny Evers, fiery second baseman of the Boston Braves in 1914 when the Braves won the National league pennant and the world's championship, will be the real manager of the Braves next season.

In confirming the trade of manager Rogers Hornsby to the Chicago Cubs, Judge Emil Fuchs, president of the Braves, announced that he personally would manage the team and that Evers would be the assistant manager. But Judge Fuchs has had no experience as a manager and Evers, it is believed, will be the real pilot.

Dempsey Claims Tommy Loughran Is Best Fighter

Also Likes Jack Sharkey And Thinks Paulino Is "Big Ham"; All Contenders

LOUGHRAN LOOKS LIKE NEW CHAMP

By DAVIS J. WALSH
Sports Editor International News Service

NEW YORK, Nov. 8. — Tommy Loughran probably is the greatest fighter in the world. Jack Sharkey is one of its abiding mysteries and Paulino neither can punch nor "take" it, according to the views aired today by Mr. Will H. Dempsey, the well known man out of work. Will himself is confronted with one of life's little problems, having to do with the question a fighter should be right, thereby losing self-control, or, on the other hand, should a fighter fight. In other words, should he or should he? It is decisions like this that wrack men's souls.

Anyhow, if the boy friend does happen to find himself in there swinging from the bargain basement next summer, his target is likely to be supplied by one of the three gentlemen mentioned; so his comments on them are not without significance. Of particular pertinence is his estimate of Paulino in view of the fact this worthy's name has been coupled with Will's in a most compromising way.

They say this pair is likely to become rather intimate, and strictly in public, at that, before the end of the 1929 outdoor season.

If this is so, it is evident that Will not only saw the senor coming. He must have seen him before he started. When did he start? Really, you can ask the most embarrassing questions for a boy of your age. All I can tell you is when the senor will stop and, at that, I have had to take Will's word for it. He says it will be before the fifteenth round if the senor ever gets in there with Loughran.

It will be hard to estimate the cost of the campaign until somebody harvests the crop of prejudice 50 years from now.

A Dynamic Personality — By Feg Murray

The Notre Dame eleven (or is it sixty-six?) that Coach Rockne is bringing to New York to play the unbeaten Army team has been beaten, to be sure, but that doesn't necessarily mean that Rock's Ramblers aren't due to rear up on their hind hoofs and kick the Army mule clear out of the Yankee Stadium as they have done more than once before.

There is no 1924 well-synchronized machine to worry Biff Jones, that's a cinch; no "Four Horsemen", no Adam Walsh; and there is no George Gipp, who helped so much to beat the Army in 1920. But there are some good men just the same, and in Neimiec, Mullins, Chevigny, Collins and Miller the "Rock" has players of real high caliber.

A word or two about King Knute, the Wizard of South Bend, who makes Horsemen out of freshmen, and who, in 12 years as coach at Notre Dame, has lost only 10 games out of 104 played. (This does not include the Penn State contest of this year.)

Rockne was captain of the South Benders in 1913 and his team went through that season unbeaten. Then he served as assistant to Jesse Harper for three years and got the job as head coach when Harper retired at the end of the 1916 season. While at Notre Dame Knute did a bit of acting, played in the band and specialized in chemistry. He taught chemistry after graduating and is now track coach as well as football coach.

The Army knows that this game won't be a cinch, for there is Knute the Magician, on the sidelines to wave his wand of psychology and inventive genius over his team's destiny.

Beans, the Navy end, would be an easy dish for the Army.

Carnegie Tech To Get Real Test In Georgetown Game

Georgetown And Tech Both Undefeated, Clash Saturday At Albany, New York

PITTSBURGH, Pa., Nov. 8.—Although the first reaction among Pittsburgh fans after Georgetown's victory over N. Y. U. was to discount Carnegie's chance for victory against the Washington outfit in the game at Albany Saturday, there is an infectious disposition now to change that attitude. The source of the growing confidence that the Tartans may surprise Georgetown and the country at large seems to be within the ranks of the Tartan players themselves.

Captain Harpster, Dreshar, Karcis and Assitsant Coach Waddell scouted the Georgetown-N. Y. U. game and gave a full measure of respect for the power of Lou Little's team. But whatever the three players and Coach Waddell told the other members of the team there has been no indication of gloom in the squad as the team went about its practices this week. The Tartans have been aware all along that Georgetown would be a hard nut to crack and that Georgetown beat N. Y. U. is serving merely as an incentive in anticipating Saturday's engagement.

Wilkinsburg High Athletes Invited As Geneva Guests

Wilkinsburg High Football Team To Honor Howard Emerick Former Holy City Player

BEAVER FALLS, Pa., Nov. 8.—Geneva college will be host to the Wilkinsburg high school football team, the school band and a large delegation of followers next Monday at Reeves stadium when the Covenanters clash with Allegheny college. Graduate Manager Edgecombe is preparing for an auspicious program and is expecting the largest crowd of the year to witness the Armistice Day encounter.

Coach Flenniken and his men are hoping for a dry field because Allegheny will greatly outweigh the Gold and White gridders, and if the game were to be played in the mud the Covenanters would be the underdogs. Scrimmage sessions on Tuesday and Wednesday were devoted to perfecting the Covenanters' offense, which functioned very badly in the Grove City contest.

Believe Dempsey Ready To Return To Padded Ring

Former Champion Ready To Forsake Vaudeville And Pictures For Time

RISKO REFUSES PAULINO BOUT

By SID MERCER
International News Service Special Correspondent

NEW YORK, Nov. 8.—Now that the election is over and everybody can come out in the open, Leo Flynn has resumed master minding for Jack Dempsey.

Leo P. Flynn does not master mind for small change. Therefore, when Mr. Flynn was discovered yesterday at Stillman's gymnasium while Mr. Dempsey limbered up the scouts were thrown into a state of high excitement.

Jack claims that he is not seriously considering any vaudeville or picture engagements and that he may remain in New York for a month. If, at the end of that time, he applies to the old master mind for advise he probably will be told to get ready.

Mr. Flynn got $75,000 for master minding at Chicago last year. His fee for telling Dempsey to remain in retirement will be nothing like that.

The returns are in from Cleveland and Johnny Risko has voted against battling it out with Paulino Uzcary-Umbay. Johnny was to have been the runningmate of the winner of the Von Porat-Paulino fight, but he has notified Tom McCardle that he wants first crack at Tom Heeney, who will arrive here in about two weeks. Heeney took a decision over Risko in Detroit last fall.

Rogers Hornsby Goes To Chicago; Braves Get Five

Chicago Cubs Give Five Players And Considerable Cash For Hornsby

BIG TRADE HAS BEEN ANNOUNCED

By GENE HOFFMAN
International News Service Staff Correspondent

CHICAGO, Nov. 8.—The dream of half a million Chicago baseball fans—"Rogers Hornsby in a Cubs uniform"—is a reality. This news was confirmed today by William Veeck, president of the local National league club.

Hornsby, the greatest right handed hitter in the game and last year's manager of the Boston Braves, comes to the Cubs, according to Mr. Veeck, in exchange for five Bruin players and cash, the exact amount of which was not stated it was said on good authority to have been in excess of $125,000. A report from Boston places the figure at $150,000.

The five players who go to Boston as part payment for the Rajah of Swat are Freddy Maguire, second baseman; Percy Lee Jones, veteran southpaw; Harry Seibold and Bruce Cunningham, both pitchers and Louis Leggett, a catcher.

Maguire and Jones are the only regulars in the lot. While Maguire is a good second baseman, it is reasoned that his job will be taken care of by Hornsby himself. As for Jones, he is just one of the boys that the team and fans will have to struggle along without.

Hornsby's acquisition by the Cubs, it is felt hereabouts will give the Wrigley club just the needed punch to change it from a second or third place team to a pennant winner.

Here And There In Sports' Land

By ED. FRITZ

WEARS NO RING SIGNS

Al De Rose, featherweight who battles the spectacular Johnny Datto, vicious Filipino at Jolly Bowl Monday night is a seasoned veteran and despite more than 100 ring brawls has never been knocked out and bears no marks of his calling.

This is the information dispatched here by Arol Atheron, Indianapolis, who believes that the rugged Italian will more than hold his own with Jimmie Dunn's "man-killer."

Built along the lines of Eddie Shea and as tough as Johnny Farr and experienced as the result of his many battles, Atheron believes his protege will upset the little brown boy.

While De Rose headquarters in Indianapolis, he is originally a Newark, N. J., fighter and is 25 years of age. During his pursuit of the title he has met some well known battlers.

Has Met King Tutt

King Tutt, the sensational featherweight, Tommy Grogan, now a good lightweight, Joe Ryder, a star of Brooklyn, Young Montreal, Lou Bloom and Harry Forbes have tasted of his punches.

Ernie Fleigel, Eddie O'Dowd, Howard Mayberry, Kid Peck and Joe Paglina are also among those whom he has fought and Steve Nugent who trains with Johnny Risko has also battled De Rose.

Datto has fought all the topnotchers and is now being primed for a crack at Benny Bass and other first-raters in the Column of Swat. The only boys he has met here have went down by a knockout.

PUNCHIN' BEE IN PROSPECT

If De Rose is half as picturesque as the Filipino the fans should see a Punchin' Bee that should prove one of the best Evening's Evenin' in the history of the Jolly bowl.

Johnny first met U. S. Carpentier and the kid with the rapier left was out jabbed, outsmarted and outpunched and in the fifth round was knocked out cold as an ice drink.

Next came the rugged and courageous Jack McFarland. Johnny hit Jack with a right hand punch to the jaw that sent him sprawling in the first round.

That punch cost Datto thousands of dollars as he injured his hand so bad that it took him seven more rounds before he could lay the Game Jacques cold.

In the seventh the Irishman made a valiant but foolhardy attack and in so doing "blew up" and when the eighth started the Filipino slayer-like boxer waylaid him with everything for a knockout.

FEW HAVE BEAT DATTO

If De Rose has the cleverness of Carpentier, plus the stamina, ruggedness and heart of McFarland he should be able to give the boy from the hemp island a real man's battle.

To date there have been few who have been able to do this—and even Datto's critics do not take the knockout by Harry Blittman as a criterion of his ability.

When Datto and Blittman fought, it was a right against a left hand. In other words Blittman, a southpaw, was accustomed to orthodox battlers and Datto had never yet fought one.

HIS LEGS "BUCKLED"

They stepped to the center of the ring at Youngstown. Datto shot a right. Blittman delivered a left. Blittman staggered. Johnny went down.

Blittman held his feet but was in bad shape, according to those who saw the fight. Johnny got up. Here's where a climax had its inception.

Jimmie Dunn and John Kilbane wigwagged another flash and the referee thought Johnny went down as the result of that signal. Datto says he went down because his legs were weak.

KNOCKING 'EM OUT

Referee Johnny Callan disqualified Datto because "he went down without being hit." The Kilbane-Dunn element said that this was all wrong and Datto sat in his corner and wanted to continue the fight.

They maintained that as weakness and a not a deliberate act had caused Johnny to crumple without being hit he deserved a count but Johnny was obdurate and Blittman was given the fight.

Since then Datto has been knocking 'em stiff, outscoring others easily and hopes to add De Rose to his list of victims when they sound the battle-cry Monday.

GALLAGHER, NEW FACE

Frankie Rio, the pleasant little Dancing Master of Cleveland will meet Patsy Gallagher, who is no featherweight's tame cat, in a six round semi-final.

The fans gave Frankie a nice reception last week and as he trains with Datto was given a bout as his reward. Any one who will stand up with Datto, even in training, deserves recompense.

And it is the custom of the ring to always book a training partner to a star. Patsy claims to hold a decision over Rio which augurs well for another good fight.

LOCAL BOYS TO BOX

Romeo Pacelli, back in the good graces of the state boxing commission will battle Tony Cexar, Pittsburgh, at 128 pounds. Romeo is fast, can strike a stinging blow and is a keen-witted kid.

This bout will go six rounds. Maxie Brown, the Walloping blonde will fight Steve Brown, the elusive shadow at 175 pounds in a four round bout and Johnny Dougherty meets Kid Williams in another bout listed for four rounds.

Johnny has not fought here but has in Uncle Sam's navy. Williams is said to be a tough baby. Johnny is from Mullintown and Williams from Slabtown. This ought to stir up fandom's appetite.

In "Death Game"

"Nigger Nate" Raymond (above), Pacific coast gambler who came to New York on his honeymoon and cut in on lion's share of Arnold Rothstein's $300,000 card losses. He was questioned by police in gambler-king's mystery shooting and later allowed to go free.

Kiwanis Board To Convene At Noon On Friday

Annual Election Nearing; Club Will Furnish Hospital Room

A meeting of the board of directors of the New Castle Kiwanis club has been called by President H. L. Marvin for Friday, November 9 at noon. The session will take place at the Elks club.

Numerous matters of business relative to civic activities will be brought up for consideration. Whether or not discussion concerning the approaching club election will arise is not known as yet.

The Kiwanis schedule calls for nomination of new officers on November 23, with the election date set for December 12. New officials will be installed into office during the later part of next month.

Announcement is made that the Kiwanians will furnish a room in the Jameson Memorial hospital on Wilmington avenue now in the course of construction. Members affirmed this move at their regular weekly meeting on Wednesday.

Your BROADWAY And Mine

By Walter Winchell

(By Arthur Kober, who is substituting for Walter Winchell today, while Walter is having his tonsils removed.)

Exclusive Central Press Dispatch to New Castle News.

NEW YORK, Nov. 8.—I have already given instructions to my attorneys. If ever I become a successful motion picture star with a tremendous following, including the Scandinavian, they are to take a sledge hammer of a substantial size, they are to back me against a brick wall and before I can say Jacob Rabinowitz they are to swing the hammer over their heads resting the iron mallet on that part of me protruding from the collar. These instructions were given to my attorneys about four months ago, when I went to interview Douglas Fairbanks in Paris.

• • •

Douglas Fairbanks and Mary Pickford arrived in Paris with the newspaper hounds sniffing at their heels. Mary was indisposed. She was brooding over her mother's death. It was up to Fairbanks to amuse the newspaper men, to answer their questions, to pose for their pictures and to do the stunts concomitant with getting one's picture in the papers, creating good will and helping the sale of motion pictures.

• • •

To do this Doug had to beam all afternoon. Although it was raining, although he had not had lunch, although his trunks were not unpacked, although his wife was in another room nursing a headache, the film star had to beam—had to flash two even rows of white teeth. Here were the newspaper men asking him how it feels to get out of Hollywood, wasn't it simply grand to be in Paris, and the French equivalent for "What do you think of our sky line and how do you like our women?" Why, you old rascals, was Fairbanks' attitude, I'm enchanted with this country. I'm delighted to be here. Yes to you, sir. And yes to you, sir. And smile, smile, smile.

• • •

Then the picture boys got ready. Couldn't he possibly, possibly persuade Mary to pose with him? Of course she was ill, but couldn't she get up for one teenchy, weenchy second to pose for a picture? It would take just a second, because all photographers are always ready with their cameras, the boy who holds the flashlight never fails to click it at the proper moment, and the flashlight never, never backfires or fails to work. Douglas Fairbanks held his own ground. He just smiled and smiled and smiled.

• • •

And then the personality boys mooched forward to spread him with their questions. They don't ask the routine interrogations. Theirs are the personal questions. "Did you get that sunburn in Hollywood? Yes? Well, how about the rest of your body?" So Fairbanks rolls his trousers to his thighs to show the inquisitive ones that he really is sunburned all over. It's the personality boys who tap his chest and feel his muscles and perform in such clinical fashion as to make me wonder why Fairbanks didn't extend his tongue and say "Ah"!

• • •

Then for two hours the actor has to write "With best wishes, Douglas Fairbanks"; "To my good friend, Douglas Fairbanks"; "Pal, old pal, Douglas Fairbanks"; "In memory of days at Heidelberg, Douglas Fairbanks"; "Anonymously, Douglas Fairbanks."

Finally the last autograph is written and the visitors depart. The acrobatic star seems tired. He sees me, groans, but bravely steps forward to find out my wishes. I ask for a sheet of paper and some writing material. It is served. I dispatch a note to my attorney:

"If ever I become a successful motion picture star with a tremendous following, including the Scandinavian, you are to take a sledge hammer of a substantial size, you are to back me against a brick wall"—well, see the first paragraph.

Poultry Raisers Meet At Plaingrove

Some 30 poultry raisers of the Plaingrove district met Wednesday evening at 7:30 o'clock in the Plaingrove consolidated school which time an address was given by H. H. Kauffman, poultry extension specialist from Penn State College.

This was the first of a series of poultry meetings and discussions which are taking place in the county this week. Mr. Kauffman is speaking to the poultry raisers at each of these meetings.

Armistice Ball Plans Completed

Large Delegations Will Be In Attendance From Neighboring Cities

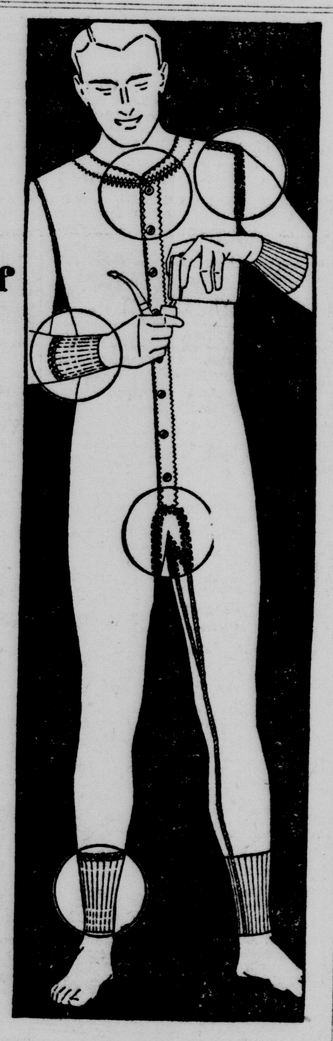

Armistice Ball, which is to be held at the Cathedral ballroom on Monday evening, November 12, by the Veterans of Foreign Wars for the benefit of the V. F. W. Orphans Home and needy ex-service men will be a grand success, according to statements made today by James A. Bell, chairman of the committee in charge for Harry L. McBride Post No. 522.

The advance sale of tickets has been very large and the gathering that night will be augmented by delegations from many of our neighboring cities, including Pittsburgh and Youngstown.

According to Mr. Bell, the United States Marine Corps Band members will be the guests of the Veterans of Foreign Wars at this affair, immediately after their concert.

The program as outlined for this ball is a very unusual and entertaining affair and taking into consideration that this is the tenth anniversary of the signing of the Armistice, it is considered a most fitting way in which to celebrate the anniversary.

The girls who sold popies on Memorial Day and those who are to sell poppies on Saturday, November 10, are cordially invited to be present as the Veterans' guests, as are also the mothers of all deceased World War veterans.

Killer Of Girl Heavily Guarded

Fear Vincent Rice, Slayer Of Alice Josst May Take His Life

(International News Service)

NEW YORK, Nov. 8.—Vincent Rice, confessed killer of little Alice Josst, his sweetheart, today was under double guard in Richmond county jail, authorities fearing that he might attempt to take his own life.

Rice spends his time reading newspaper accounts of Alice's funeral as the watchful guards pace up and down outside his cell. He will be arraigned tomorrow charged with first degree murder. It has been indicated by defense counsel that an attempt will be made to show insanity

N. Y. STOCKS

(International News Service)

NEW YORK, Nov. 8.—The aggressive upward movement in the copper stocks, the oils and the specialties continued without interruption in the first hour today, coincident with moderate recessions as the result of profit-taking on other sections of the list. The prospect of 1-cent copper, which would make possible a higher range of earnings for the producers of the red metal, was the important factor behind the new demand for copper stocks.

With call money again at 6 per cent and a country-wide buying movement in full swing, Wall Street bulls were jubilant over the success of their efforts to boost the prices of their favorite stocks. New alignments in the oil industry are again the topics of conversation in the financial district, Mid-Continent having been selected as the leading speculative favorite from that standpoint today.

The Standard Oils were in active demand at fractionally higher prices, as also were the Pan Americans, Sinclair, Marland and Texas Corporation. Montgomery Ward, at the head of the high-priced specialties, moved up nearly 8 points to a new high at 355, and Westinghouse continued its confident advance to above 118, on the prospect of an enormous increase in electrical business this year.

General Motors, U. S. Steel and other speculative favorites were unusually quiet, as also were the bulk of the rails, the equipments and other normally active groups.

Gangster Dying Will Not "Squeal"

Gangster Shot In Philadelphia Refuses To Reveal His Assailants

(International News Service)

PHILADELPHIA, Nov. 8.—True to the gangster's code, William Denni, 24, known to gangsters of South Philadelphia as "Willyutch," refused today to reveal who pumped 15 leaden slugs into his body as he stood on a down-town street corner last night. Physicians say he cannot recover.

"If I told you who did this, it would knock you off your feet," was Denni's reply to police when they questioned him. "I didn't think he'd do it," he added.

Denni, who lives in Paulsboro, N. J., came to the city last night and had been here only an hour when he was fired upon with a shotgun by a group of men in an automobile. The men escaped. Denni was rushed to Mt. Sinai hospital where attendants said he had been struck in the lungs and abdomen by the hail of shot.

The shooting was the second gang outbreak in two days. A score of men have been slain in gang wars here in the past two years.

Order Northcott To Be Extradited

Gordon Northcott And His Mother Must Go Back To California To Face Music

(International News Service)

VANCOUVER, B. C., Nov. 8.—Gordon Stewart Northcott, accused slaying four youths on his California chicken ranch, today had lost his fight against extradition. His mother and asserted accomplice, Mrs. Louise Northcott, has been ordered extradited from Calgary, Alberta.

During extradition proceedings, while his youthful nephew, Sanford Clark, was testifying concerning the alleged slayings, Northcott burst into laughter. He became serious, however, when it was ordered that he be placed in custody of California officers.

Hoover Carries Forty Of States

Only Eight States Give Electoral Votes To Smith

FOUR OF SOLID SOUTH FOR HOOVER

WASHINGTON, Nov. 8.—Conditions unprecedented in American politics emerge from the political storm which swept the nation Tuesday.

The country -last night canvassed the final returns to find it will inaugurate March 4 a Republican administration voted into power by the most impressive electoral college total ever given a political party, while the defeated candidate received the greatest popular vote ever given a Democrat.

Its thought turned to Herbert Hoover, president-elect, and the men with whom he will surround himself in an almost complete change in the presidential cabinet; to the new obligations imposed upon the majority by a victory so overwhelming it made the United States more nearly a one-party country than at any time in its history; and to the uncertain, unhappy prospects for what remains of the Democratic party, which Tuesday saw the old "solid south" broken for the first time since reconstruction days and which is reaping the whirlwind of bitter dissension within its own ranks.

It reflected upon the failure of an attempted political revolution which sought to transfer national political control from Main Street to Broadway, and to the part women played in defeating it, suggesting the womanhood of the nation will have new recognition in the government at Washington under Hoover, possibly to the extent of representation in the cabinet.

In Tuesday's election, in which the electorate cast a vote approaching the total of 40,000,000, Mr. Hoover carried 40 of the 48 states of the union, four of them south of the Mason and Dixon line, and sweeps into office with 444 votes in the electoral college total of 531, with only 266 needed for election.

Smith Gets 87 Votes.

Alfred E. Smith carried but eight states, six of them in the south, with a total electoral vote of 87. Those states are Alabama, 12; Arkansas, 9; Georgia, 14; Louisiana, 10; Massachusetts, 18; Mississippi, 10; Rhode Island, 5, and South Carolina, 9.

The real surprise of the election was the swinging of six states from their traditional party moorings, four of them Democratic states which went Republican, and two Republican which went Democratic.

South Breaks Up.

Florida, North Carolina, Virginia and Texas went to Hoover. They are four of the ten of the "solid south" which always have constituted the nucleus of the Democratic national vote.

Massachusetts and Rhode Island, by narrow margins, went to Smith, according to the last returns, Massachusetts by something above 20,000 and Rhode Island by around 2,000.

Six states of the south and two in New England were all Smith carried. Yet the popular vote reveals the astounding fact that the New York governor's total may be as great as the vote cast in 1924 for Calvin Coolidge.

Bus Operators Enter Protest To Commission

Bus Line Owners Protest Application Of Pennsylvania General Transit

(International News Service)

HARRISBURG, Nov. 8.—Half a hundred bus line operators appeared today before the public service commission to protest the application of the Pennsylvania General Transit company which seeks permission to operate two east and west routes across the state.

One of the proposed routes would extend from Philadelphia to Pittsburgh following the William Penn highway and the other would operate between the same cities on the Lincoln highway. On the latter route a branch.

Line would extend through Greenmount, Emmitsburg, Md., Waynesboro and Mercersburg.

Officials of the transit company which is a subsidiary of the Pennsylvanai railroad told the commission that they did not intend to interfere with bus lines operating along the same route but on local schedules. Except for companies which engage in inter-state traffic there are no through bus routes between the two cities. Such companies are not subject to jurisdiction of the public service commission.

The Pennsylvania Transit company has been chartered to operate in 55 counties of the state. A separate application to the commission will be necessary for each proposed route.

BRIN HANLON IN HOSPITAL HERE

Brin Hanlon, former star of the New Castle High school football team and later a member of the Georgetown team is in the New Castle hospital. His condition is improving.

JOHNSTOWN, Pa., Nov. 8.—City and county police today investigated a threat on the life of W. R. James, local shoe merchant. He received a letter stating that he would be "shot and killed" in the next few days unless he placed $5.000 in one of the municipal parks. Police say they have no clue.

Pennsylvania Now Has Thirty-Four G.O.P. Congressmen

(International News Service)

PITTSBURGH, Nov. 8.—Thirty-four of Pennsylvania's thirty-six representatives in Congress are sure to be Republicans, one will be Democratic, and one seat is in doubt.

The lone Democrat who is sure of his seat is John Casey, of Luzerne county.

James E. Beck, encumbent from the 1st Philadelphia district, claims re-election, while William L. Rooney, Democrat, claims a majority vote. The official count is being awaited.

MAN INJURED AT CEMENT PLANT

Two city pulmotors and an ambulance were called to No. 3 plant of the Lehigh Portland Cement company about 1:30 o'clock this afternoon for use at that place. Inquiry at the plant was to the effect that an employe of the plant had been injured and that the pulmotors and ambulances were called to facilitate the care of the injured man.

Two Meet Death, Five Injured As Train Hits Auto

Accident Near Bradford, Pa., Results In Death Of Two, Injury To Five

(International News Service)

BRADFORD, Pa., Nov. 8.—Enroute to attend a political "victory parade" here, one man was killed instantly, another died early today and five others were injured seriously when the automobile in which they were riding was struck by an Erie railroad freight train at Limestone, near here.

William Miller of Salamanca, N. Y., was dead when recovered from the wreckage. Paul Walker, 36, of Limestone, N. Y., died five hours after the accident from a fractured skull. Miller is reported to have been given a "lift" by Walker, driver of the machine.

The injured were Walker's wife, Edna, 27; her mother, Mrs. Florence Sloan, 65, and the three Walker children, Karl, 7; Tommy, 5, and Mary, 10. Each suffered bone fractures. All are in Bradford hospital.

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle

It's a pleasant feeling to have friends remember you. Just little reminders that you are not forgotten sometimes are the biggest things in the world. The monetary value may be small but the spirit back of the thing is mighty large.

Got such a reminder this morning in the shape of my annual invitation to the banquet of the Pennsylvania railroad veterans. Never missed one of them and they started about seven years ago.

Banquets in a newspaper man's life are not always big occasions but some banquets stand out above others. The P. R. R. banquet is one of those. Veterans of the switch and throttle gather around the banquet board and reminisce of days gone by when the link and pin was the means of holding cars together and when a finger or two off was the sign of a railroader.

Barring a broken leg or a national calamity I'm going to be at that banquet

And another affair that can't be missed is a high school play. Tonight the young Thespians present Bill Shakespeare's "Twelfth Night". Perhaps they won't do it quite as good as Herbert Beerbohm Tree, or Richard Mansfield may have done it, and perhaps there will be some little deficiencies but I'll have a good time and so will you if you go.

Affairs seem to occupy this colyum today. Saturday is another affair. The football game with Greensburg will occupy the attention of the chap who likes his football done up well. Greensburg isn't so far and the game will be worth it.

If it isn't one thing it's another. Now the fellow who sells fancy hose and tricky neckwear reminds us that it won't be long until Christmas and that it's a good time to begin shopping. They would do that. Taking a look at the bank account and adding the days from now until Christmas produces a feeling around the purse that is somewhat akin to a feeling in the stomach an hour before dinner time.

Coke Production Displays Gain

(International News Service)

CONNELLSVILLE, Pa., Nov. 8.—While furnace coke operators were reducing output 1,050 tons the week ending November 3 there was a gain of 3,410 tons at Merchant operations, where 211 ovens were put into blast, an International News Service survey showed today.

The total output of 67,450 tons was a new high record for the year. The gain was practically the same as the previous week.

Prices remained unchanged at $2.90 to $3 for spot furnace shipments, with no perceptible increase in demand.

To Give Program At Second Baptist

A short program and debate will be given in the Second Baptist church this evening at 8 o'clock under the auspices of the Baptist Young People's Union.

The program will open with an instrumental number by Mildred Engs. Molly and Mildred Henley will give a duet number and Louise Henley will give a reading. A special feature of the evening will be a debate entitled "Resolved that the physician is more important than the plumber." Those taking part are Lucile Coffey, Dorothy Jackson, Molly Henley, Ernest Rose, Henry Rose and Bedford Parker. Refreshments will be served.
